Entrepreneurship Awareness Program Workshop in Collaboration with MSME (Micro Small Medium Enterprises)

KDK College of Engineering

Nandanwan, Nagpur

Department of Civil Engineering

Session 2025-26

Report on One-Day Workshop on Entrepreneurship Awareness Program on 25/02/2026.

A one-day **Workshop on Entrepreneurship Awareness Program** was organized with the objective of creating awareness among students about entrepreneurship, start-up culture, and self-employment opportunities. The program aimed to bridge the gap between academic learning and practical entrepreneurial exposure, motivating students to develop an entrepreneurial mindset.

The workshop was graced by **Shri Abhaynath Ji**, *Assistant Director, MSME*, as the **Chief Guest**. He delivered an informative session on the role of MSMEs in economic development and elaborated on various government schemes, financial assistance, incubation support, and policies available for aspiring entrepreneurs. His guidance encouraged students to consider entrepreneurship as a viable and respectable career option.

The program featured eminent **resource persons** from industry and business domains.
Shri Manish Khairkar, *Managing Partner, Visionary Future LLP*, discussed the fundamentals of entrepreneurship, business planning, leadership qualities, and innovation.
Shri Shailendra Mahanande, *Director, Blue Vision Softech Pvt. Ltd.*, shared industry-oriented insights on technology-based entrepreneurship, challenges faced by start-ups, and sustainability strategies.
Shri Anand Iyyar, *Shivmitra Corporation*, explained real-life entrepreneurial experiences, focusing on market analysis, risk management, and ethical business practices.

The sessions were interactive, incorporating real-life case studies and discussions, which enabled students to gain practical exposure to entrepreneurial concepts. A total of **140 students** actively participated in the workshop and showed enthusiastic involvement through interactions and queries.

Course Outcomes (COs) Defined

The following Course Outcomes were mapped with the workshop:

- **CO1:** Understand the concept of entrepreneurship and the role of MSMEs in economic development.
- **CO2:** Identify government schemes, financial support, and institutional assistance available for start-ups.
- **CO3:** Develop an entrepreneurial mindset, leadership skills, and innovative thinking.
- **CO4:** Analyze real-world entrepreneurial challenges related to market dynamics, risk, and sustainability.

Outcome of the Workshop

- Students gained clear understanding of entrepreneurship as a career option.
- Awareness about MSME schemes and start-up support systems was significantly improved.
- Students developed interest in innovation, self-employment, and start-up culture.
- The workshop positively contributed to **CO attainment** related to entrepreneurship education.

The workshop concluded with a vote of thanks, acknowledging the Chief Guest, resource persons, organizers, and participants. Overall, the **Entrepreneurship Awareness Program** was successful in achieving its objectives and demonstrated satisfactory **Course Outcome attainment**, benefiting students both academically and professionally.

Subject: Letter of Invitation

Dear Sir,

I am writing to extend a formal invitation for you to conduct a session on **'A Session on Entrepreneurship Development'** as part of our Student Induction Programme scheduled on **10th September 2025** at **MBA Department** from **11.00 pm to 12.00 pm.** Given your extensive expertise in addressing the audience on Entrepreneurship Development, we believe your guidance would greatly benefit our audience.

We are enthusiastic about the possibility of having you share your insights and experiences with our attendees. If you have any specific requirements or preferences for the session, do not hesitate to inform us.

We look forward to your positive response and are excited about the potential of working together to make this event a success.

Thank you for considering this invitation.

Warm regards,

Prof. R.S. Budhe

Activity Report (2025-26)

IQAC Activity No: .....

Name of the Activity:	Guest Lecture on Entrepreneurship Development		
Date	Faculty	College/Department/Committee	Name of Coordinator
10/09/25	Management	MBA Department	Prof. R.K. Gupta
Time	Venue	Number of Participants	Nature: Outdoor/Indoor
11:00AM to 12:00PM	KDK College of Engineering MBA Department	25	Indoor
Support/Association	Mr. Priyal M. Dhunde (Founder of Neo Agrotech Company)		

Brief Information about the Activity (Criterion No: _)

Topic/ Subject of the Activity	Guest Lecture on Entrepreneurship Development
Objective	To introduce students to the concept and importance of entrepreneurship in today's economy. To inspire and motivate students to think creatively and consider entrepreneurship as a viable career path. To provide insights into the process of starting, managing, and sustaining a successful business venture.
Methodology	A guest speaker, typically an entrepreneur or industry expert, conducted an interactive session with students. The lecture covered key topics such as idea generation, business model development, funding options, market analysis, and risk management. Real-life entrepreneurial journeys, success stories, and failures were shared to provide practical insights. Students were encouraged to ask questions, share ideas, and engage in brief brainstorming or business pitch activities.
Outcome	Students gained a deeper understanding of the entrepreneurial mindset and the skills required to start a business. The session sparked interest in entrepreneurship and encouraged students to think innovatively and explore startup opportunities. Participants became more aware of the resources, support systems, and government initiatives available for aspiring entrepreneurs. The lecture contributed to fostering a culture of innovation, self-reliance, and problem-solving among students.

Report on

Guest Lecture on Entrepreneurship Development

SESSION 2025-26

DATE: 10/09/25

Introduction:

A Guest Lecture on **Entrepreneurship Development** was successfully organized by the department of Management Studies on *10/09/2025* at *MBA Department.* . The session was conducted with the aim of fostering entrepreneurial thinking among students and encouraging them to explore innovation-driven ventures. The resource person for the session was **Mr. Priyal M. Dhunde**, the visionary **Founder of Neo Agrotech Company**, known for his dynamic entrepreneurial journey in the agri-tech sector.

Objective:

The primary objective of the guest lecture was to **introduce students to the fundamentals of entrepreneurship**, including the mindset, skills, and strategic planning required to start and sustain a successful business. The session aimed to **inspire students to consider entrepreneurship as a viable career path**, while also providing practical insights into opportunity recognition, business model development, funding avenues, and real-world challenges faced by startup founders. Additionally, the lecture aimed to bridge the gap between theoretical knowledge and the practical application of entrepreneurial concepts.

Highlights:

The event began with a **Welcome Address** delivered by the forum members, setting the tone for the lecture by highlighting the increasing relevance of entrepreneurship in today's dynamic economic landscape. This was followed by introductory remarks by **Prof. R.S. Budhe**, HOD of the MBA Department, who spoke about the growing support for startups in India and encouraged students to think beyond conventional employment options.

The keynote speaker, **Mr. Priyal M. Dhunde**, then took the stage and shared his inspiring journey of founding **Neo Agrotech Company**, a startup that has gained recognition for its innovative contributions to the agricultural technology sector. He discussed the **initial challenges, turning points, and key strategies** that helped shape his entrepreneurial journey.

His talk covered vital topics such as **identifying market needs, building a business model, securing funding, marketing a startup, and managing risks.**

Mr. Dhunde emphasized the importance of **innovation, persistence, and adaptability** in entrepreneurship. He also highlighted how rural and agri-based entrepreneurship can contribute to sustainable development and generate employment. Throughout the session, he encouraged students to explore opportunities in emerging sectors and to believe in their ideas despite obstacles.

The session included a highly interactive **Q&A segment**, where students asked insightful questions about business planning, market analysis, and funding options for first-generation entrepreneurs. Mr. Dhunde addressed each query with clarity and offered actionable advice based on his personal experiences.

The program concluded with a **Vote of Thanks** delivered by the event coordinators, **Prof. R.K. Gupta** expressing sincere appreciation to Mr. Priyal M. Dhunde for his valuable insights, and acknowledging the efforts of faculty and students who made the event a success.

Outcome:

The guest lecture proved to be a **valuable learning experience** for the students. It broadened their understanding of entrepreneurship and inspired many to think innovatively and pursue their own business ideas. Students gained **real-world knowledge about startup creation, business management, and market strategies**, along with a deeper appreciation of the entrepreneurial mindset.

The session successfully instilled a sense of curiosity and confidence among the participants, and several students expressed a strong interest in exploring entrepreneurship as a career path. The lecture also encouraged students to seek out mentorship, conduct market research, and build networs that could support their entrepreneurial aspirations in the future.

Expert lecture on Patenting in Academics.

K. D. K. College of Engineering, Nagpur

Department of Mechanical Engineering

Activity Report (2025-26)

Name of Activity	Guest lecture on **"Patenting in Academics"**
Date	09/10/2025
Number of Participants	52
Resource Person	**Adv. Swapnil Gawande and Mr. Ghosh, L. L. Services Pvt. Ltd. Amravati** Contact No.: 9890333567

Brief Information about the Activity:

Objectives	To make Students aware about the usefulness of IPR as • **To Protect Intellectual Property (IP):** Safeguard novel inventions developed through academic research. • **To Promote Innovation and Research Culture:** Encourage faculty and students to develop practical and impactful solutions. • **To Facilitate Technology Transfer:** Bridge the gap between laboratory research and real-world applications. • • **To Enhance Societal Impact:** Ensure research outcomes benefit society through practical implementation. • **To Strengthen Industry Linkages:** Foster collaborative research and sponsored projects.
Outcomes	Students got aware about the use of IPR to achieve • **Legal Protection of Inventions:** Secured rights over innovative research outputs. • **Increased Research Funding:** Patented technologies attract grants and industry sponsorship. • **Start-up and Spin-off Creation:** Formation of university-based start-ups. • **Economic Growth Contribution:** Commercialized innovations contribute to national development. • **Academic Recognition:** Improved institutional rankings and global visibility. • **Societal Benefits:** Development of new medicines, technologies, and sustainable solutions.
Relevance to PO	PO1, PO5, PO6, PO7, PO10, PO11

Report

The Department of Information Technology, K.D.K. College of Engineering, Nagpur, organized a seminar titled *"Navigating Your Career Path: From Campus to Corporate"* on **17th July 2025**. The session was conducted by **Mr. Himanshu Rakhade**, Technical Project Manager at Dotcom Team LLP, Nagpur, with participation from **43 students**

The seminar aimed to help students transition smoothly from academic life to the corporate world by providing insights into career planning, skill development, and workplace readiness. Key topics included resume building, interview preparation, professional communication, and adapting to corporate culture.

Students gained clarity on identifying career goals, understanding industry expectations, and developing essential soft and technical skills for long-term career success. Through expert insights, interactive discussions, and career-oriented sessions, participants gained valuable knowledge on resume building, interview techniques, professional communication, and adapting to corporate culture. The seminar aimed to prepare students not only for their first job but also for long-term career growth in a competitive and evolving job market.

The seminar was coordinated by **Prof. R. R. Kolte** under the guidance of **Dr. Mrs. S. P. Khandait**, Head of the Department of Information Technology. The event was monitored by **Dr. N. R. Dhamge**, IQAC Coordinator, and held under the leadership of **Dr. Valsson Verghese**, Principal of K.D.K. College of Engineering, Nagpur.

Expert Lecture On

Financial Literacy for Engineering Students

Dated: 20/11/2025

Activity Report

Objective – The objective of Financial Literacy for Engineering Students is to help them understand how to manage money effectively, use digital financial tools safely, and make informed decisions about saving, investing, and budgeting. It aims to build awareness about taxation, loans, and financial planning, while preparing students for future professional responsibilities and entrepreneurial opportunities.

Description- The lecture on Financial Literacy for Engineering Students was delivered by the speaker with the aim of creating awareness about essential money-management skills among young engineers. During the session, the speaker explained the importance of understanding personal finance at an early stage and highlighted key concepts such as budgeting, saving, digital banking, and secure online transactions. The speaker also discussed the basics of investments, including mutual funds, SIPs, and government schemes, helping students understand how to build long-term financial stability.

The lecture covered important topics like income tax, loans, EMIs, and debt management, enabling students to make informed financial decisions in their future careers. The speaker shared practical examples, real-life scenarios, and useful tips to encourage responsible financial behavior. Overall, the session was highly informative and helped students gain valuable insights that will support them in managing their finances confidently and preparing for professional life ahead.

Outcome

By the end of this Lecture, students will be able to:

- Students gained a better understanding of personal finance, budgeting, saving, and managing day-to-day expenses.
- The session helped students confidently use digital banking tools such as UPI, net banking, debit/credit cards, and secure online payment methods.
- Students learned the basics of investments like SIPs, mutual funds, and government schemes, enabling them to plan for long-term financial growth.
- Students received insights useful for future job roles or startup plans, including managing finances, understanding benefits, and controlling costs.

NOTICE

K.D.K. College of Engineering, Department of basic science and humanities, organizing 30 hours student development program under value added course to enhance the soft skill of B. Tech first year students, as per following terms.

1) Course will be started from 16th Sept 24 (Saturday) at 2.00
2) Registration for the program is mandatory
3) 80% attendance is compulsory for e-certificate of course
5) All Students are advice to register name Section wise
6) Course will be completed in 10 available Saturday

Syllabus of the program :

- Soft skill development
- Spoken English for all
- Interview preparation and trainings
- Communication skill for all
- Group discussion training – The industry requirement way
- Build the best resume and linkedin profile
- Manners and Etiquettes
- Self- Analysis
- Self- Motivation
- Self- Discipline
