The NSS Unit of KDKCE organized a Historical Heritage Walk on 29th June 2024 as part of its ongoing efforts to engage students with the rich history and culture of Nagpur. The event was organized under the aegis of the NSS Unit KDKCE and aimed to explore some of the most significant historical landmarks of the city. The event commenced at 7:00 AM and was held at various historical places in Nagpur.

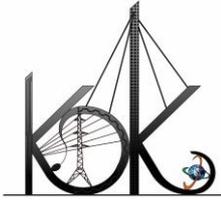

The Heritage Walk included visits to several key historical sites such as museums, Shanivar Wada, Zero Mile, and other places of historical significance. Participants were guided through these locations, learning about the architecture, history, and cultural importance of each site. The walk provided an immersive experience where students not only enjoyed the beauty of the structures but also gained in-depth knowledge about Nagpur’s heritage.

The execution of the event was smooth and well-coordinated. Students were divided into groups, each accompanied by a guide who provided informative insights into the significance of the locations visited. The entire walk was conducted with the utmost respect for the heritage sites, with participants ensuring minimal disruption to the surroundings. The event not only served as an educational experience but also encouraged students to appreciate the importance of preserving historical landmarks.

The Care In The Rain: Raincoat Distribution For Shelter Less People event, organized by the NSS Unit KDKCE, took place on 29th July 2024 at Bada Taj Bag, starting at 3:30 PM. The main objective of this initiative was to provide immediate relief to the homeless community during the monsoon season, where exposure to heavy rain and cold can lead to serious health issues.

The volunteers identified homeless individuals in the area, particularly those who lacked any form of shelter or protective clothing. With raincoats in hand, they distributed them to those in need, ensuring they had some protection from the elements. Each volunteer took care to engage with the recipients, offering words of encouragement and comfort.

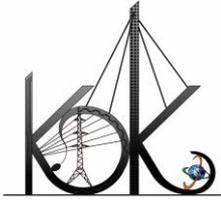

In addition to the distribution of raincoats, the volunteers spent time interacting with the homeless, listening to their stories, and providing emotional support. This engagement helped foster a deeper connection between the volunteers and the recipients, shedding light on the struggles faced by homeless individuals during the rainy season.

The act of giving not only provided physical protection but also helped raise awareness about the plight of the homeless in the community, encouraging empathy and social responsibility. The event served as a reminder that small acts of kindness can make a significant difference in the lives of those in need.

Impact Analysis:

The Care In The Rain: Raincoat Distribution For Shelter Less People initiative had a profound impact on both the homeless recipients and the volunteers involved. For the homeless, receiving raincoats provided much-needed protection from the monsoon weather, reducing their risk of health complications such as cold and wet-related illnesses. The simple act of offering raincoats symbolized compassion and social solidarity, reminding recipients that they are not forgotten.

Activity Report

Swacha Bharat Abhiyan: Swacha Bharat Abhiyan: Clean Slums, Healthy Lives

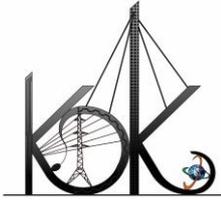

The "Swacha Bharat Abhiyan: Swacha Bharat Abhiyan: Clean Slums, Healthy Lives" initiative aimed to improve the living conditions in slum areas through a series of activities focused on cleanliness, sanitation, and health awareness. Regular clean-up drives were organized, with volunteers working alongside local residents to remove waste, clean streets, and clear drainage systems. In addition, awareness campaigns educated residents about the importance of proper waste disposal, hygiene, and maintaining a clean environment through pamphlets, posters, and street plays. To address health concerns, free medical camps were set up, providing check-ups, vaccinations, and basic healthcare services. Waste management workshops were conducted to teach the community how to segregate waste and adopt simple recycling methods, while beautification initiatives transformed slum areas by planting trees, setting up gardens, and creating murals, which improved both the environment and the mental well-being of residents.

The initiative had a profound impact on both the community and the surrounding environment. It significantly improved sanitation in slum areas, reducing the spread of diseases linked to poor hygiene. The health check-ups offered vital services that residents otherwise might not have access to. Community involvement in clean-up drives and beautification projects fostered a sense of ownership and pride in maintaining a clean, healthy environment. The awareness campaigns and workshops also empowered the community with knowledge about waste management and personal hygiene, creating long-term positive changes. Overall, the initiative contributed to better health, improved living conditions, and a strengthened sense of community.

Impact Analysis:

The "Swacha Bharat Abhiyan: Swacha Bharat Abhiyan: Clean Slums, Healthy Lives" initiative had a positive impact on both the environment and the residents. It significantly improved sanitation in slum areas, reducing waste-related health risks. The health camps provided essential medical support, while awareness campaigns empowered the community with knowledge on hygiene and waste management. Community involvement in clean-up and beautification efforts fostered a sense of ownership and pride, encouraging long-term commitment to maintaining a clean environment.

Activity Report

Drug Awareness: Drug-Free Nagpur

On 16th July 2024, K. D. K. College of Engineering, Nagpur, organized an impactful session titled “Drug Awareness: Drug-Free Nagpur” in the Main Auditorium of the college. The event featured Dr. Ravinder Kumar Singal, Commissioner of Police, Nagpur City, as the keynote speaker. With an audience comprising 120 participants, including students and NSS volunteers, the session aimed to create awareness about the dangers of drug abuse and encourage collective action against it.

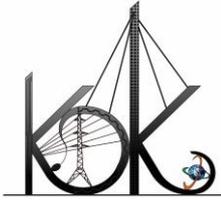

Dr. Ravinder Kumar Singal delivered a powerful address, urging the youth to take a firm stand against drug use. He emphasized the need to report drug-related issues to the authorities and outlined the legal repercussions of involvement in such activities. Through his speech, he not only educated the audience on the laws and punishments but also inspired them to become ambassadors of a drug-free society.

The session also included an interactive segment where Dr. Singal engaged directly with the students and NSS volunteers. This dialogue allowed participants to share their thoughts, ask questions, and gain clarity on issues related to drug prevention. The open discussion bridged the gap between authority figures and the youth, encouraging transparent communication and fostering trust. In addition to the Commissioner’s address, the NSS team shared their plans for conducting further awareness campaigns on campus and in local neighbourhoods. The event concluded with a collective pledge by all participants to advocate for a Drug Awareness: Drug-Free Nagpur

Impact Analysis:-

The “Drug Awareness: Drug-Free Nagpur” session left a lasting impact on both the attendees and the broader community. Students gained a deeper understanding of the legal and social consequences of drug abuse, fostering a culture of responsibility and vigilance. The session empowered the youth to become proactive in addressing drug-related challenges, inspiring a ripple effect of awareness in their circles. For the NSS volunteers, it reinforced their role as change-makers in society. By bridging communication between the authorities and the public, the event strengthened trust and collaboration in the collective fight against drug abuse.

Activity Report

Voice of Experience

On 24th July 2024, the NSS Team of KDKCE conducted an activity titled "Voice of Experience" at Athashri Old Age Home, Shyam Nagar, Nagpur. The objective of the visit was to interact with senior citizens, gain insights from their life experiences, and address the challenges they face during elections. A team of 18 enthusiastic volunteers engaged in meaningful conversations with the residents, aiming to bridge the gap between generations and foster understanding.

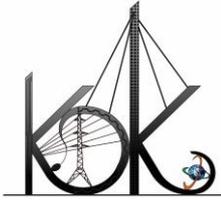

During the visit, the senior citizens shared valuable life lessons, focusing on the qualities that define a perfect leader. These insights, drawn from decades of personal experiences, enriched the students' understanding of leadership and decision-making. The volunteers also encouraged the elders to discuss the issues they encounter during elections, including limited accessibility, lack of assistance, and logistical difficulties.

The NSS team pledged to compile these concerns into a formal report to be presented to the Election Commission. This initiative reflects the team's commitment to social advocacy and improving the electoral experience for senior citizens. The discussion also sparked a deeper awareness of the importance of inclusive practices in democratic processes.

Impact Analysis:

The activity had a significant impact on both the volunteers and the senior citizens. For the students, it was an enlightening experience that broadened their perspectives on leadership and empathy for the elderly. For the senior citizens, the interaction fostered a sense of importance and recognition, as their voices were heard and valued. This initiative not only strengthened the bond between generations but also laid the groundwork for actionable measures to address the needs of elderly voters, promoting inclusivity and social progress.

Activity Report

RXOUTREACH: MEDICAL HEALTH AWARENESS

The RXOUTREACH: medical Health Awareness event, organized by the NSS Unit KDKCE, took place on 27th July 2024 at Sakkardara, Nagpur, beginning at 2:30 PM. The event's primary objective was to combat the spread of mosquito-borne diseases, particularly in slum areas, by focusing on controlling mosquito breeding sites, which are prevalent during the monsoon season. Volunteers identified high-risk areas where mosquitoes typically breed, such as dusty corners, stagnant water pools, uncovered water containers, and clogged drainage systems—common features in underserved neighborhoods. These areas provide the perfect breeding conditions for mosquitoes, contributing to the rise in diseases like dengue, malaria, and chikungunya.

Once the breeding zones were identified, the volunteers took proactive action by spraying mosquito-killing solutions in these specific areas, targeting the most affected regions to reduce the mosquito population. This was done with great care to avoid any adverse impact on the local environment or wildlife. The volunteers ensured that only the critical areas were treated, minimizing the spread of chemicals. The objective was not just to reduce the mosquito population but to create a safer, healthier environment for the community, mitigating the risks of disease transmission. By addressing these breeding grounds directly, the event took a hands-on approach in preventing future outbreaks, contributing to improved public health and raising awareness about the importance of controlling mosquito habitats. Volunteers also educated residents on simple preventive measures, empowering them to protect their families and maintain a healthier living environment long after the event concluded.

Impact Analysis:

The RXOUTREACH: medical Health Awareness initiative had a positive and immediate impact on the Sakkardara community. By targeting mosquito breeding grounds, the event helped reduce the mosquito population in key areas, thereby lowering the risk of diseases like malaria and dengue. Residents expressed their gratitude, particularly in areas where stagnant water and dust accumulation had been persistent problems. In addition to addressing immediate health risks, the campaign raised awareness about the importance of eliminating mosquito breeding sites. It also encouraged local residents to take personal responsibility in maintaining their surroundings. Overall, the event contributed to a cleaner, safer environment, promoting long-term health benefits for the community.

Activity Report

KHUSHIYON KI UDAAN

The Khushiyon Ki Udaan event, organized by the NSS Unit KDKCE, was held on 27th July 2024 at the Swavlambi Matimand Mula Mulinchi Niwasi Shala in Jaitala, Nagpur, starting at 11:00 AM. The event was designed to bring joy and smiles to children with special needs, aiming to create a memorable day for them filled with fun and excitement. Volunteers engaged with the children by organizing various games and activities, such as group games, puzzles, and interactive activities that were tailored to their abilities. The games were intended to encourage social interaction, cognitive skills, and physical movement in a relaxed, supportive environment.

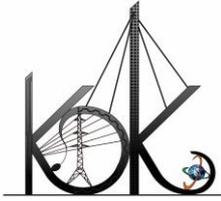

Alongside the games, volunteers distributed toys to the children, which were carefully chosen to match their interests and developmental needs. This activity was not just about entertaining the children but also about providing them with an opportunity for emotional and social growth in a safe and positive atmosphere. The event was filled with laughter and joy as the children enjoyed a day away from their usual routine, engaging with their peers and the volunteers.

In addition to the immediate joy it brought, the event also left behind an impact by fostering a sense of community and inclusion. The children learned social skills, gained new experiences, and enjoyed activities that stimulated their minds and physical abilities. The act of distributing toys further contributed to their long-term development by providing them with resources to continue learning and playing. The event not only made the children happy but also raised awareness among the volunteers about the importance of nurturing and empowering children with special needs, creating an enduring connection between the volunteers and the children.

Impact Analysis:

The Khushiyon Ki Udaan event had a deeply positive and lasting impact on the children at the Swavlambi Matimand Mula Mulinchi Niwasi Shala. By providing them with toys and engaging in games, the event contributed significantly to the emotional well-being of the children, offering them an opportunity for play and social interaction that they may not frequently experience.

Activity Report

Awareness Program on Eye care & Eye donation

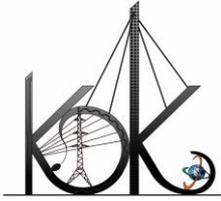

The Awareness Program on Eye care & Eye donation, organized by the NSS Unit KDKCE, was held on 27th July 2024 at the Sick Room of KDKCE starting at 10:00 AM. The primary goal of this event was to provide free eye check-ups to KDKCE students and raise awareness about common eye issues. A qualified ophthalmologist was invited to conduct comprehensive eye examinations, checking for vision problems, refractive errors, and other potential eye conditions. The doctor also provided immediate treatment advice and prescribed corrective measures, such as glasses or medication, where needed. The event was structured to cater to the student body, many of whom may not have regular access to professional eye care Expert Dr. Pankaj due to financial constraints or lack of time.

Additionally, the initiative focused on educating students about the importance of regular eye check-ups and maintaining good eye health, especially given the increasing use of digital devices in academic environments. After the check-ups, students were given advice on preventive measures, such as reducing screen time, proper lighting for reading, and maintaining a balanced diet to support eye health. The event not only provided immediate medical support but also emphasized the long-term importance of eye care, helping students become more conscious of their visual well-being. By addressing this often-overlooked aspect of health, the initiative empowered students to take proactive steps toward maintaining their vision and overall eye health.

Impact Analysis:

The Awareness Program on Eye care & Eye donation & eye donation awareness camphad a significant and lasting impact on the KDKCE student community. Many students, who might have ignored or delayed seeking eye care due to lack of time or resources, were able to receive essential eye check-ups and corrective treatments. The event led to the identification of vision issues that students were unaware of, allowing them to address problems early before they worsened. The initiative also created awareness about the importance of eye health, particularly in the context of long hours spent on screens and academic work. Students were educated on preventive practices to safeguard their eyes, which could lead to healthier habits in the long term. Overall, the event contributed to the well-being of students by providing immediate health support, raising awareness about eye care, and fostering a culture of self-care among the student body.

Activity Report

LITTLE MIRACLES, BIG SMILES

The Little Miracles, Big Smiles event, organized by the NSS Unit KDKCE, was held on 30th July 2024 at the Matru Seva Sangh Snehangan Special School starting at 2:00 PM. The primary goal of this initiative was to bring joy and emotional support to handicapped children by engaging with them in meaningful activities. Volunteers spent quality time with the children, participating in various games designed to encourage physical movement and cognitive stimulation. These games were tailored to the children’s abilities, ensuring they could actively participate and enjoy themselves.

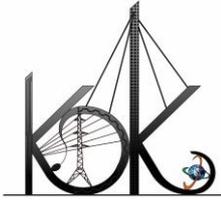

In addition to playing games, the volunteers took the time to bond with the children, providing emotional support and companionship. They encouraged the children in their efforts, fostering an environment of inclusivity and positivity. The volunteers made sure that each child felt valued and loved, helping them build confidence and happiness through social interaction and play.

At the end of the event, the volunteers distributed thoughtful gifts, including toys, books, and other educational materials that were meant to inspire learning and growth. These gifts not only delighted the children but also provided them with resources for further engagement, enhancing their learning experiences at the school. The event was a beautiful reminder of the power of community support and the importance of making special-needs children feel loved, respected, and cared for.

Impact Analysis:

The Little Miracles, Big Smiles event had a profound emotional and developmental impact on the children of the Matru Seva Sangh Snehangan Special School. The children were not only entertained and engaged in meaningful activities but were also given the opportunity to build connections with others, which boosted their emotional well-being. Through games, the children were able to enhance their social and motor skills, while the personal interactions with the volunteers helped to alleviate any feelings of isolation they might have experienced. The distribution of gifts served as both a treat and a valuable educational tool, providing the children with items that could encourage learning and creativity.

The meeting highlighted the importance of collaboration and leadership in tackling community issues and how students can contribute through innovative solutions. This session also aimed to develop strategies for future student-led projects that would positively impact society.

The ceremony featured several prominent dignitaries, including Chief Guest Mr. Shyamsundar Madewar, YIN Manager for Maharashtra, and Guest of Honor Mr. Sandeep Bharmbhe, Executive Editor of Sakal Media Group. Other notable attendees included Dr. A.M. Badar, Vice-Principal of KDKCE, Dr. V.P. Varghese, Principal of KDKCE, and Dr. T.R. Shelke, NSS In-Charge at KDKCE. Activity Report

RO-TREE: Tree Plantation Drive

On 4th August 2024, the NSS volunteers participated in an event named "RO-TREE: Tree Plantation Drive," organized by the Rotaract Club of Nagpur. The event took place at Ram Nagar, NIT Garden, Nagpur, beginning at 08:30 AM. This activity focused on promoting environmental sustainability through tree plantation. The volunteers came together to contribute to this noble cause by planting trees in the garden, supporting efforts to enhance green spaces and improve air quality in the community.

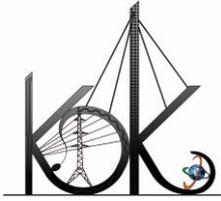

The tree plantation drive aimed to spread awareness about the importance of trees in maintaining ecological balance and combating climate change. With 19 enthusiastic participants, the NSS volunteers worked alongside Rotaract members to plant a variety of trees, ensuring that each tree was carefully placed and nurtured for optimal growth. The activity was well-organized, with all necessary resources, including saplings, tools, and guidance, provided to the volunteers.

This event was more than just a plantation drive; it served as an opportunity to engage the community in eco-friendly practices and foster a sense of responsibility toward nature. By actively participating, the NSS volunteers played a key role in making their local environment greener and healthier. The event also promoted a strong message of environmental stewardship among the youth, highlighting the need for sustained efforts in conservation.

Impact Analysis:

The "RO-TREE: Tree Plantation Drive" initiative had a profound impact on the participants and the local environment. The volunteers not only contributed to the creation of a greener space but also developed a deeper understanding of environmental issues. This activity reinforced the importance of individual actions in combating environmental degradation and instilled a sense of responsibility for the planet. The positive effects of planting trees will be long-lasting, improving the local ecosystem and setting an example for others to follow in creating a more sustainable world.

Activity Report

ABILITY BEHIND LIMITATIONS

The **Ability Behind Limitations** event, organized by the NSS Unit KDKCE, took place on **7th August 2024** at **Sahara Special School, Manewada, Nagpur**, starting at **11:00 AM**. The purpose of the event was to celebrate the talents and abilities of children with special needs by organizing fun, interactive activities. Volunteers engaged the children in various games designed to be both entertaining and developmental. These activities focused on teamwork, motor skills, and cognitive abilities, offering the children a chance to showcase their strengths while having fun. The games were carefully tailored to the children's capabilities, ensuring every participant could actively engage in the event.

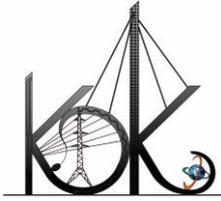

Alongside the games, the volunteers organized a lively dance session to further celebrate the children's talents. The children, many of whom had not had the chance to perform in front of others, were encouraged to dance, express themselves, and have fun. This dance session helped foster confidence, joy, and a sense of accomplishment in the children, breaking down barriers and celebrating their unique abilities. The atmosphere was filled with laughter, music, and energy, as both volunteers and children joined in the spirit of togetherness and fun.

The volunteers also took time to recognize and celebrate the individual talents of each child, ensuring they felt valued for their unique skills. At the end of the event, small tokens of appreciation, such as certificates, were given to each child to acknowledge their participation and achievements. The event was not only about having fun but also about empowering the children and reinforcing the message that limitations do not define their potential.

Impact Analysis:

The **Ability Behind Limitations** event had a profound impact on both the children and the volunteers. For the children, it provided an opportunity to express their creativity, improve social skills, and gain confidence. The fun activities and dance session helped break down the barriers often faced by special-needs children, offering them a platform to demonstrate their abilities and talents. Many children were visibly more confident after the event, smiling and engaging with the volunteers in ways they hadn't before.

Activity Report

TRAFFIC RULE AWARENESS

The "Traffic Rule Awareness" event, organized by the NSS Unit KDKCE, was held on 10th August 2024 at Bhande Plot, starting at 10:00 AM. The primary goal of the event was to raise awareness among local commuters about key traffic safety rules. Volunteers took an active approach by engaging with pedestrians, two-wheeler riders, and motorists, emphasizing the importance of wearing helmets, not drinking and driving, and maintaining appropriate speed limits. They distributed informative pamphlets and engaged in one-on-one conversations to discuss the dangers of neglecting these safety measures.

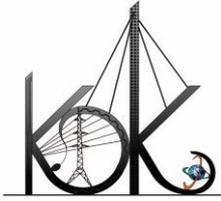

Volunteers also set up a small booth with visual aids, such as posters and videos, highlighting the consequences of traffic violations and the benefits of following traffic rules. They encouraged drivers to reflect on their habits and offered practical tips for ensuring safety, such as checking vehicle conditions before traveling. Throughout the event, the volunteers maintained a friendly and approachable attitude, ensuring that the message was conveyed effectively and respectfully to people from various backgrounds.

In addition to educating the public, the volunteers also invited local traffic officers to speak about enforcement and the legal aspects of traffic violations. This collaboration helped lend authority and credibility to the event. By combining education with community interaction, the event aimed to instill a sense of personal responsibility regarding road safety.

Impact Analysis:

The "Traffic Rule Awareness" event had a significant impact on the local community, helping to increase awareness about essential traffic safety practices. Many motorists and pedestrians who participated in the event expressed a newfound understanding of the importance of wearing helmets, adhering to speed limits, and avoiding alcohol consumption while driving. The combination of informative materials and direct interactions allowed for effective knowledge transfer, leading to more informed decisions by road users.

Activity Report

Awareness Campaign on Voter Card

On 15th August 2024, the NSS Unit of KDKCE organized an "Awareness Campaign on Voter Card " at Warthaman Nagar, Nagpur. The primary aim of the campaign was to raise awareness about the upcoming Voter ID update drive scheduled for 18th August 2024 at K.D.K. College of Engineering, organized by the Election Commission. A group of 75 dedicated volunteers participated in the campaign to educate the local residents about the importance of updating their Voter IDs and ensuring their participation in the democratic process.

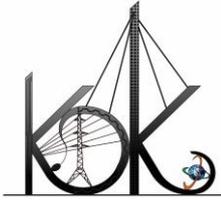

The volunteers spread across the streets of Warthaman Nagar, knocking on doors and engaging with the public. They informed the residents about the Voter ID update event and its significance in maintaining an accurate and inclusive voter database. The team emphasized the process and encouraged the public to utilize the upcoming update drive to correct any discrepancies in their voter information, ensuring that their voices are heard in the next election.

The campaign also included providing the public with necessary information on the requirements for updating Voter IDs, such as documents needed and the steps involved in the process. Volunteers patiently answered questions from the residents, ensuring they understood the importance of having an up-to-date Voter ID and how it contributes to a fair electoral system. The interaction created a sense of urgency and responsibility among the local community to participate in the voter ID update campaign.

Impact Analysis:

The "Awareness Campaign on Voter Card " had a positive and far-reaching impact on the community of Warthaman Nagar. Activity Report

WARRIOR CONNECT: INTERACTION WITH ARMY OFFICERS

The "WARRIOR CONNECT: Interaction With Army Officers " event, organized by the NSS Unit KDKCE, took place on 15th August 2024 at Sitabardi Fort, starting at 1:00 PM. The event aimed to honor the sacrifices of soldiers and foster a deeper connection between students and the armed forces. Volunteers visited Sitabardi Fort, a historical site with significant military relevance, to learn about the bravery and struggles of soldiers. The visit provided a unique opportunity for students to engage with military personnel stationed at the fort, gaining firsthand insights into their daily lives, challenges, and the sacrifices they make for the nation's security.

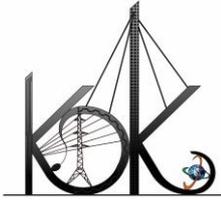

During the visit, students interacted with soldiers, asking questions about their training, experiences, and the realities of serving in the military. The soldiers shared personal stories, shedding light on the hardships they face while protecting the country. This interaction allowed volunteers to develop a greater understanding of the life of a soldier, including the mental and physical resilience required in their profession. The event was designed not only to educate the students but also to instill respect and gratitude for the armed forces.

In addition to the interactions, the volunteers also participated in a guided tour of Sitabardi Fort, where they explored its historical significance and military architecture. The tour provided context to the students about the fort's role in protecting the region, and how it symbolizes the enduring spirit of the soldiers who serve there. The overall experience was intended to deepen the students' appreciation for the sacrifices made by soldiers, promoting patriotism and respect for the armed forces.

Impact Analysis:

The "WARRIOR CONNECT: Interaction With Army Officers " event had a lasting impact on both the volunteers and the soldiers. For the volunteers, the event provided a rare and invaluable insight into the life of soldiers, helping them understand the challenges, sacrifices, and dedication required in military service. The interactions with soldiers allowed the students to develop a deep sense of gratitude and respect for the armed forces. Many volunteers reported feeling inspired and more patriotic after hearing firsthand accounts of the soldiers' sacrifices.

Activity Report

AWAERNESS PROGRAM ON MENSTRUAL HEALTH EDUCATION & GENDER EQUALITY

The "Breaking the Silence: Menstrual Health Education" event, organized by the NSS Unit KDKCE, was held on 16th August 2024 at D.V. Public School, Nagpur, starting at 11:00 AM. The primary aim of this event was to raise awareness about menstrual health, hygiene, and product usage among students. Volunteers conducted informative sessions, discussing menstrual cycles, common myths, and the importance of maintaining hygiene during menstruation. The sessions also addressed emotional well-being during periods, aiming to reduce the stigma associated with menstruation.

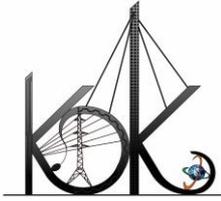

Volunteers presented various menstrual products, such as sanitary napkins, menstrual cups, and tampons, explaining their usage and benefits. They also provided demonstrations on how to use and dispose of these products hygienically. The volunteers used simple and age-appropriate language to ensure the message was understood by all students, creating a safe space for open discussion. Questions were welcomed, and students were encouraged to share their thoughts and experiences regarding menstrual health.

In addition to the education session, the volunteers distributed pamphlets and informational booklets that students could take home to share with their families. These materials contained important information about menstrual hygiene, proper product usage, and tips for managing discomfort. The event not only aimed to educate the students but also empowered them to discuss menstrual health openly and without shame.

Impact Analysis:

The "Breaking the Silence: Menstrual Health Education" event had a profound impact on the students of D.V. Public School, as it addressed a topic that is often overlooked or surrounded by stigma. By providing accurate, practical information about menstrual health and hygiene, the event empowered the students, particularly young girls, to make informed decisions regarding their menstrual health. Many students expressed a sense of relief and confidence after learning about the different menstrual products and proper hygiene practices.

Activity Report

Future Fission

On 28th August 2024, the NSS team of KDKCE, in collaboration with the Indu Leader Organization, organized an educational event titled "Future Fission" in Raghuji Nagar, Chota Taj Bagh, Nagpur. The primary goal of the event was to educate and motivate the children of the community. A group of 20 volunteers came together to make this initiative impactful, aiming to provide children with the tools and inspiration they need to excel in their educational journey.

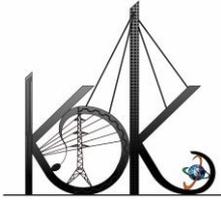

During the event, the volunteers interacted with the students in a friendly and engaging manner. They distributed educational materials such as books, notebooks, and wall charts, providing the children with essential resources to enhance their learning. The volunteers also conducted interactive sessions, teaching rhymes, alphabets, and numbers, to help the children build foundational skills in an enjoyable way. The environment was filled with energy as the children eagerly participated in the activities.

The event not only aimed to teach but also to inspire the children to appreciate the value of education. Volunteers took the time to encourage the young minds, emphasizing the importance of learning and staying curious. The interaction between volunteers and children was meant to instill a sense of excitement about their academic futures, creating a positive learning environment for them.

Impact Analysis:

The "Future Fission" event had a positive and lasting impact on both the volunteers and the children of Raghuji Nagar. The volunteers gained a deeper understanding of community outreach and the importance of early education in shaping children's futures. For the children, the event ignited a passion for learning, providing them with the necessary tools and motivation to pursue education. The event strengthened the bond between the volunteers and the community, fostering a sense of responsibility and social contribution in the students.

Ganesh Chaturthi Celebration at Old Age Home

The NSS Unit of KDK College of Engineering, Nagpur, organized a Ganesh Chaturthi Celebration at Old Age Home at Matru Seva Sangh, Panchavati, Nagpur, with the objective of bringing joy and companionship to the senior residents of the old age home. The event aimed to foster a sense of community and togetherness by engaging the elderly in devotional and cultural activities. A team of 30 dedicated volunteers actively participated in making the event successful and memorable.

The celebration commenced with the traditional Ganesh Aarti, where volunteers and the elderly residents collectively offered prayers to Lord Ganesha. The serene and spiritual atmosphere was filled with devotion as everyone sang along, creating a deeply emotional and unifying experience. The presence of young volunteers brought enthusiasm and liveliness to the gathering, uplifting the spirits of the elderly.

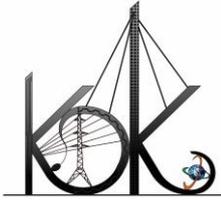

A key highlight of the event was the bhajan session, where volunteers sang devotional songs along with the senior residents. The soulful melodies resonated within the premises, creating a soothing and heartwarming environment. The elderly actively participated, clapping, singing, and sharing their cherished memories of past Ganesh Chaturthi celebrations. Their smiles and joyful expressions were a testament to the event's success.

Following the bhajan session, the volunteers engaged in interactive conversations with the residents, listening to their life experiences and gaining wisdom from their stories. Many of the seniors expressed their gratitude and happiness for the time spent with them, as it brought back fond memories and a sense of belonging. Sweets and prasad were distributed among all, reinforcing the festive spirit and spreading positivity.

Impact Analysis:

The celebration had a profound impact on both the senior residents and the NSS volunteers. For the elderly, it was an opportunity to relive festive traditions, feel valued, and experience companionship. Many of them expressed their joy and gratitude, stating that the presence of young individuals filled their hearts with happiness.

Activity Report

Interaction Program with CP of Nagpur Police

On 10th September 2024, the YIN Club Nagpur organized a crucial meeting with Dr. Ravinder Kumar Singal, the Nagpur City Commissioner of Police, at Alankar Hall, Police Line Takli, Nagpur. The meeting aimed to foster better relations between the police and the community. With 85 participants, including NSS volunteers and YIN Club members, the event focused on the importance of cooperation between the public and law enforcement for a safer city. The attendees were encouraged to engage with the police positively and to contribute to community safety initiatives.

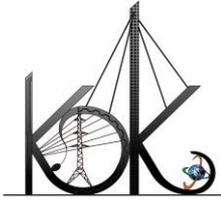

During the session, Dr. Singal motivated the attendees to view the police as friends rather than figures of authority. He emphasized the role of the community in assisting the police, especially during the Ganesh Visarjan celebrations, where crowds tend to increase. Dr. Singal urged everyone to contribute to making Nagpur a drug-free city by working in close coordination with the police. His address inspired participants to take proactive steps towards maintaining peace and order in the city.

The meeting also provided valuable insight into the police force's efforts to combat drug abuse and its impact on the community. Dr. Singal explained the strategies in place to address drug-related issues and highlighted the importance of public support in ensuring these efforts succeed. The NSS volunteers and YIN Club members actively participated in the discussions, asking questions and providing suggestions on how the community can further assist in law enforcement initiatives.

Impact Analysis:

The meeting had a positive impact on both the participants and the local community. For the volunteers and club members, it was a learning opportunity that highlighted the importance of community-police cooperation. It encouraged them to take responsibility for their surroundings and support police efforts in maintaining law and order. For the police, it strengthened the connection with the public and inspired a collective effort towards tackling societal challenges such as drug abuse and public safety during events.

Activity Activity Report

Mission Police Mitra

On 17th September 2024, the NSS volunteers of KDKCE participated in the Ganesh Visarjan celebrations at Naik Talav, Jagannath Budhwari, Nagpur. The event, organized by the Nagpur City Police, aimed at ensuring smooth traffic flow and crowd management during the immersion process. The volunteers took on the responsibility of assisting in crowd control and supporting the police in maintaining order amidst the festive crowd. With a total of 40 participants, the volunteers worked diligently to ensure safety and organization during the entire event.

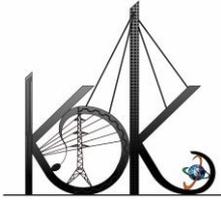

The volunteers were divided into smaller teams and strategically deployed at various locations around Naik Talav. These teams helped regulate pedestrian movement, ensured that devotees followed proper safety measures, and directed traffic away from congested areas. The NSS team worked in close coordination with the local police force to monitor and manage the crowd, ensuring that all safety protocols were followed effectively.

Throughout the event, the volunteers actively contributed to reducing congestion and ensuring that both the public and police officers could perform their duties efficiently. Their involvement helped prevent potential accidents and allowed the immersion process to take place without major disruptions. This support from the NSS team played a key role in facilitating a safe and smooth Ganesh Visarjan celebration for the citizens of Nagpur. The successful participation in the Ganesh Visarjan event also provided the NSS volunteers with a practical understanding of public safety measures during large-scale events. By working alongside the police, the students gained firsthand experience in crowd management and learned the importance of teamwork in maintaining public order.

Impact Analysis:

The activity had a positive impact on both the volunteers and the local community. For the volunteers, it was a valuable learning experience that exposed them to the challenges of crowd and traffic management, enhancing their leadership and coordination skills. For the citizens and the police, the presence of volunteers ensured a safer and more organized event, contributing to the overall success of the Ganesh Visarjan celebrations.

मनोज चव्हाण : उद्योजकता विषयावर 'यिन संवाद'

■ सकाळ वृत्तसेवा

नागपूर , ता. २५ : उद्योग सुरू करण्यासाठी भांडवल नाही तर मानसिकता लागते. विद्यार्थ्यांचा उद्योजकता विकास घडवण्यासाठी महाविद्यालयीन स्तरावर कार्यशाळा आणि व्याख्याने आयोजित कराव्या हवे. असे मत व्यवस्थापन कॉर्पोरेट प्रशिक्षक मनोज चव्हाण यांनी व्यक्त केले.

सतत शिकण्याची तयारी, संयम, उत्तम व्यवस्थापन आणि लोकांचे स्किल्स वापरून चांगला उद्योजक होता येते. विद्यार्थ्यांनी उद्योजकांचे अनुभव जाणून घ्यावे, असेही ते म्हणाले. 'सकाळ' या इन्स्पिरेटर्स नेटवर्क (यिन) व केडीके अभियांत्रिकी महाविद्यालयाच्या राष्ट्रीय सेवा योजना यांच्या संयुक्त विद्यमाने उद्योजकता विकास यावर यिन संवादात ते बोलावले होते.

उद्योजकीय गुणसंपदा कौशल्य विकाससाठी अशा कार्यशाळांच्या माध्यमातून विद्यार्थ्यांनी लघु व मध्यम उद्योगांसंदर्भातील कायदे आणि फायदे जाणून त्यांची अंमलबजावणी करावी, असे मत फोक्स कॅम्पिटेशन झोनचे संचालक कैलास पालेकर यांनी मांडले.

पोलिस आयुक्त कार्यालयासोबत 'यिन क्लब'च्या व रासेयोच्या सदस्यांनी गणेश उरसवाच्या काळात पोलिस मित्र झालेल्या सदस्यांना पोलिस प्रशासनाकडून प्रमाणपत्र देऊन सत्कार करण्यात आला.

डॉ. तुषार शेळके यांनी कार्यक्रमाचे स्वरूप व अंश स्पष्ट केला. संचालन रात्री सदावतं हिने केले. आभार दैविक अरिगेल याने मानले. यशस्वितेसाठी आदुषी कलंबे, राची सदावतं, विशाल वांगडे, सुधांशु कुटे, आनंदी गिरडे, विरग

उद्योग सुरू करण्यापूर्वी त्याचे पूर्ण ज्ञान असायला हवे. आज उद्योग सुरू करण्यासाठी सर्वात मोठी भीती किंवा जोखीम म्हणजे त्या गोष्टीचे अपुरे ज्ञान होय. मागील काही वर्षांपासून उद्योग क्षेत्रासाठी शासनाच्या विविध योजनांद्वारे स्टार्ट-अपसाठी भारतात एक चांगली इकोसिस्टीम तयार होत आहे. त्याचा विद्यार्थ्यांनी लाभ घ्यावा.

- मनोज चव्हाण,
प्रशिक्षक, व्यवस्थापन कॉर्पोरेट

उद्योग क्षेत्रात नवीन कल्पना, नवसंस्कल्पना आणि नवी जोम निर्माण करणे समाजाच्या प्रगतीसाठी महत्त्वाचे आहे. यासाठी उद्योजकता उत्तम संधी आहे. ती आर्थिक स्वावलंबनासोबतच नवे रोजगार निर्माण करू शकते. तरुणांनी आपल्या कल्पना व्यवसायात रूपांतरित कराव्यात, आम्ही त्यांना हवे ते मार्गदर्शन आणि प्रोत्साहन देण्यासाठी नेहमी तयार आहोत.

- डॉ. वत्सन वर्गिस,
प्राचार्य, केडीके अभियांत्रिकी महाविद्यालय, नागपूर

आजच्या युगात उद्योजकतेचे महत्त्व खूपच वाढले आहे. तरुणांनी फक्त नोकरी मिळविण्याचे ध्येय न ठेवता स्वतःचे व्यवसाय निर्माण करण्यासाठी प्रयत्न करणे गरजेचे आहे. त्यासाठी योग्य प्रशिक्षण, मार्गदर्शन आणि धाडस आवश्यक आहे.

उद्योजकतेविषयी जागरूकता निर्माण करण्याची गरज आहे.

- डॉ. अविनाश बंदर, उपप्राचार्य,
केडीके अभियांत्रिकी महाविद्यालय

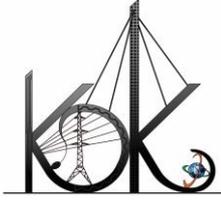

पूरम, पार्थ धावेकर, साक्षी निमजे,
अंजली जिचकार, वेदप्रकाश

'सकाळ' समूहाच्या यिन व्यासपीठाद्वारे 'यिन संवाद' विद्यार्थ्यांना उद्योजक म्हणून यशस्वी होण्यासाठी लागणाऱ्या सर्व बाबींची सखोल माहिती देण्यात आली. त्याचा विद्यार्थ्यांना निश्चितच फायदा होईल. त्याचप्रमाणे आयुष्यात कुठल्याही क्षेत्रात भारी घेण्यासाठी लागणाऱ्या विशिष्ट बाबींची माहिती देण्यात आली. त्याचा विद्यार्थ्यांना नक्कीच लाभ होईल यिन व्यासपीठांतर्गत यापुढे अशाच प्रेरणादायी कार्यक्रमांचे घेण्यात यावे, अशी सदिच्छा.

- डॉ. अनुप फरतोडे,
अधिष्ठाता केडीके अभियांत्रिकी महाविद्यालय नागपूर

सावरकर, परलक गुजरकर, आदुषु

Activity Report

Tobacco Awareness Campaign

The NSS Unit of KDK College of Engineering, Nagpur, successfully organized a Tobacco Awareness Camp Campaign to educate people about the harmful effects of tobacco consumption. The campaign aimed to spread awareness about the health risks associated with tobacco use, including lung diseases, cancer, and heart problems. The volunteers actively engaged with the public, delivering impactful messages and real-life case studies to discourage tobacco consumption. The initiative was conducted in various public areas, where individuals were informed about the long-term consequences of tobacco addiction.

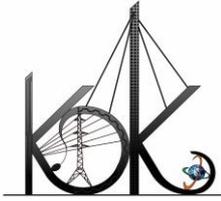

During the awareness drive, NSS volunteers interacted with shopkeepers, roadside vendors, and daily commuters, urging them to adopt a tobacco-free lifestyle. They used simple and relatable language to explain how tobacco not only harms individuals but also affects their families. Many volunteers shared scientific facts and personal stories to make the discussions more engaging. Some individuals, after understanding the risks, pledged to reduce or quit tobacco use.

To enhance the impact of the campaign, volunteers used posters, pamphlets, and visual aids depicting the adverse effects of tobacco on health. They explained how tobacco consumption leads to financial loss and deteriorates mental and physical well-being. The team also highlighted government initiatives and helpline numbers available for those willing to quit. The initiative was well received, with many people showing keen interest in understanding the alternatives to tobacco.

Impact Analysis:

The Tobacco Awareness Campaign had a significant impact on the local community. Many individuals who were previously unaware of the severe consequences of tobacco use gained valuable insights and pledged to reduce or quit tobacco consumption. The campaign successfully encouraged youth to make informed choices regarding their health and lifestyle. Shopkeepers and vendors showed willingness to support the cause by discouraging tobacco sales near educational institutions.

Activity Report

Brush The Change, Dream The Future: Poster Competition

To instill awareness and social responsibility among young minds, the NSS Unit of KDK College of Engineering, Nagpur, in association with YIN Maha Club, organized the poster competition "Brush the Change, Draw the Future" at Gayatri Convent, New Nandanvan. This initiative aimed to educate students on the importance of a drug-free society and women's safety, encouraging them to express their thoughts creatively through art. The event provided an interactive platform for students to reflect on these pressing social issues and present their vision for a better future.

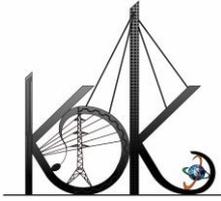

The participation of Gayatri Convent played a crucial role in making this event successful. With the guidance of Principal Shri. Mangesh Salpekar, Asst. Head Mistress Mrs. Leena Thakre, and Drawing Teacher Mrs. Neetu Bhangre, students enthusiastically expressed their perspectives through their artwork. The competition saw vibrant and thought-provoking posters, reflecting the deep concern and awareness students have towards drug addiction and women's safety.

After thorough evaluation, Ojasvi Meelewar (Class 7-C) emerged as the winner, while Shiwank Khode (Class 7) and Mahi Bhende (Class 5-A) secured the runners-up positions. The students' artwork beautifully depicted the harmful effects of drugs and the need for a safe environment for women, proving that art can be a powerful tool for spreading social awareness. Each participant displayed remarkable creativity and insight, making it challenging for the judges to decide the winners.

Impact Analysis:

The competition not only nurtured creativity but also fostered a sense of social responsibility among students. Their posters vividly illustrated their understanding of critical issues, proving that young minds are deeply aware of society's challenges.

मान्यवरांच्या प्रतिक्रिया

“यिन”च्या जिल्हास्तरीय अधिवेशनात सहा मूलभूत तत्वांवर चर्चा करून ठराव पारित करण्यात आले. ही सर्व सहा मूलभूत तत्वे अतिशय विद्यार्थ्यांच्या उपयोगी ठरणारी आहेत. त्यांचा विद्यार्थी नक्कीच आपल्या जीवनात अंगिकार करून प्रविष्ट्याला गवसणी घालण्याकरिता फायदा करून घेतील.
- प्राचार्य डॉ. व्ही. पी. वर्मांस, केडीके अभियांत्रिकी महाविद्यालय

“सकाळ” समूहाचे सर्वत्र उपक्रम अतिशय समाज उपयोगी असतात. त्यामाधील विद्यार्थ्यांसाठीचे एक महत्त्वाचे व्यासपीठ म्हणजे “यिन”. या माध्यमातून महाविद्यालयीन विद्यार्थ्यांना वैयक्तिक, व्यावहारिक आणि सामाजिक दृष्टिकोन बदलण्याकरिता व समाज उपयोगी कामे करण्याकरिता प्रेरित केले जाते.
- डॉ. ए. एम. बदर, उपप्राचार्य, केडीके अभियांत्रिकी महाविद्यालय.

“योग” विद्यार्थ्यांसाठी कसे उपयुक्त आहे, पाहिले जाणीव करून दिली. अटांग योग केल्यास नियम पाळणे, इतरांची जुळवून घेणे, संयम पाळणे व टप्पा-टप्पाटप्याने पुढे जाणे अशा अनेक गोष्टी शिकवण्यास मिळतात. आपल्या सुप्त गुणांना ओळखा. त्यावर काम करा. स्वर्गात्मक युगात वास्तवतांना घड उतार येणारच, पण अपयशाला सांभाळता आले पाहिजे. मेहनत कुठे कमी पडली याचे निरीक्षण करणे आवश्यक आहे. सध्याच्या धावपळीच्या जीवनात लहान मुल असो किंवा वयोवृद्ध, प्रत्येक व्यक्ती मानसिक ताणावात अगत आहे. मानसिक ताण योगासनामुळे दूर केला जाऊ शकतो.
- धनश्री लेकुवाळे, आंतरराष्ट्रीय योगगुरू

“जीवनात वाढत असलेले नैराश्य व मानसिक तणाव निवारणार्थ भावनांचा निचरा होऊन सकारात्मक विचारासंगी अवलंबने फार गरजेचे आहे. आयुष्य सुंदर आहे, फक्त आत्मविश्वास आणि अपयश पचवण्याची क्षमता जोपासत यशाचा मार्ग सुकर करता आले पाहिजे.
- डॉ. अनुजा नन्नावरे.

आजच्या अधिवेशनात आलेल्या पाहण्यांचे मार्गदर्शन नक्कीच आम्हाला भविष्यात कामी येईल. आम्ही त्यांनी दिलेल्या सल्ल्यानुसार पुढील वाटचाल करू.
- समुद्धी तुणे, यिन मुख्यमंत्री.

पहिल्यांदा जिल्हास्तरीय अधिवेशनामध्ये सहभाग घेतला. सहा मूलभूत तत्वांवर चर्चा व ठराव पारित करण्यात आले. यामधून खूप काही शिकता आले. ही सुवर्णसंधी दिल्याबद्दल 'सकाळ यिन'चे मानवी आभार.
- नुरुर राजत, यिन जिल्हा कार्यध्यक्ष, नागपूर.

“सकाळ” समूहाच्या 'यिन' व्यासपीठाने आमच्या जीवनाची खरोखर सकाळ केली आहे. अंधाराकडून उजेडाकडे नेण्याचे कार्य त्यांनी केले आहे. मनस्वी आभार.
- सकेत कावळे, पारलमंती गडचिरोली.

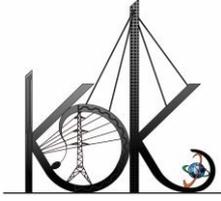

जिल्हास्तरीय अधिवेशनामध्ये सर्व मान्यवरांचे मार्गदर्शन अतिशय महत्त्वपूर्ण ठरले. मिळालेल्या ज्ञानाचा भविष्यात निश्चितच उपयोग होणार आहे. 'सकाळ'कडून नेहमीच विद्यार्थ्यांना प्रोत्साहन दिले जाते. याकरिता 'सकाळ'सह 'यिन'चे मानवी आभार.
- मधुरा वाजे.

कौशल्ययुक्त शिक्षण प्राप्त व्हावे, या दिशेने सरकारने पाऊल टाकले. शिअरी वगणिका प्रॅक्टिकल वर्क जास्त असावेत.
- सकेत कावळे, यिन सार्वजनिक बांधकाम मंत्री.

'सकाळ'कडून विद्यार्थ्यांसाठी उपयुक्त उपक्रम राबविले जातात. 'यिन'च्या जिल्हास्तरीय अधिवेशनात सहभागी करून घेण्यासह मत व्यक्त करण्याची संधी दिल्याबद्दल 'सकाळ' व 'यिन'चे आभार मानते.
- सिता कावळे.

Activity Report

Smart Investor Awareness Program

The National Service Scheme (NSS) of K.D.K. College of Engineering, Nagpur, in collaboration with the Securities and Exchange Board of India (SEBI) and the National Stock Exchange of India (NSE), successfully conducted the SMARTs Investor Awareness Program on 25th February 2025 at the Civil Auditorium, KDKCE. The event aimed to promote financial literacy and educate students about smart investment strategies. NSS volunteers, faculty members, and students from various disciplines attended the session with great enthusiasm.

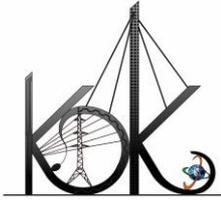

The session featured Dr. Kanchan Naidu, a renowned Finance Expert & Researcher with qualifications including CFA, MBA (Finance), and Ph.D. (National Stock Exchange). Dr. Naidu provided valuable insights into financial planning, risk management, stock market investments, and the importance of making informed financial decisions. The discussion emphasized understanding market trends, avoiding fraudulent schemes, and leveraging investment opportunities wisely.

Students engaged actively in the interactive session, where Dr. Naidu addressed queries on investment portfolios, stock trading, mutual funds, and financial security. The program also included discussions on the role of SEBI and NSE in regulating the financial market and ensuring investor protection. Attendees appreciated the detailed explanations and real-world examples that helped them grasp complex financial concepts easily.

Impact Analysis:

The SMARTs Investor Awareness Program had a profound impact on students by enhancing their financial literacy and investment knowledge. It encouraged responsible financial decision-making and empowered attendees to explore stock markets and investment avenues confidently. The session successfully bridged the gap between theoretical knowledge and real-world financial applications, fostering a culture of informed investing among young individuals.

Activity Report

Harit Samvad: Farmer Interaction Program

The NSS Unit of K.D.K. College of Engineering, Nagpur, successfully organized Harit Samvad on 9th March 2025 at Parshivni, Ramtek. The event aimed to create a platform for meaningful interaction between farmers and NSS volunteers, allowing both groups to exchange knowledge and insights on agriculture, modern farming techniques, and government support schemes.

The program began at 7:00 AM, with NSS volunteers engaging in discussions with farmers to understand their daily challenges, farming techniques, and resource management. Farmers shared their experiences regarding crop selection, irrigation, pest control, and financial difficulties, providing volunteers with a deeper understanding of the agricultural sector.

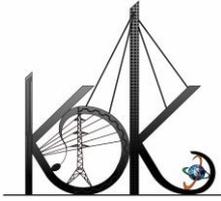

As part of the initiative, NSS volunteers informed farmers about various government schemes, subsidies, and financial aid programs designed to support agricultural development. They emphasized the importance of organic farming, water conservation, and advanced irrigation methods to help farmers increase productivity while ensuring sustainability.

The interactive session included live demonstrations and discussions on soil health, composting, and modern technology in farming. Farmers were introduced to digital platforms for accessing market prices, government benefits, and loan facilities, enabling them to make informed financial decisions. The volunteers also encouraged farmers to adopt eco-friendly practices for long-term agricultural benefits.

Impact Analysis:

This event had a significant impact on both farmers and NSS volunteers. Farmers gained valuable insights into government schemes, financial planning, and sustainable farming methods, while volunteers developed a better appreciation for agriculture and rural life. The interaction bridged the gap between technology and traditional farming, empowering farmers to enhance productivity and adopt modern practices for a sustainable future.
