Institute Distinctiveness

The institute's distinctiveness lies in its holistic approach to education, which encompasses the upliftment of students from remote and tribal areas, gaining national and international recognition, and leveraging technology for enriched learning experiences. These facets combine to create a unique educational institution dedicated to excellence, inclusivity, and innovation.

Institute Distinctiveness is broadly categorized in three areas:

- I. Upliftment of students from Remote and Tribal Areas**
- II. National / International Recognition**
- III. Technology Enabled Learning Support**

1. Upliftment of students from Remote and Tribal Areas

Preamble:

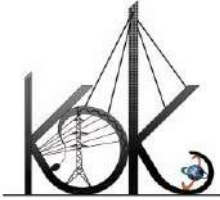

Off late, India has done tremendous advances in technology and has gained the attention and recognition all over the globe, though we have to go a long way. To become the fully developed country, we have to focus on the rural populations which still have limited access to the technology owing to lack of awareness and guidance.

K.D.K. college of Engineering, Nagpur was started by Backward class Youth Relief committee with a noble vision to impart quality technical education to the backward and rural youth for their Upliftment and has been successful in achieving their goal to a great extent. As a part of social responsibility and to focus on the Upliftment of students from the rural, remote and tribal areas, the career guidance and counseling cell was set up in college.

Methodology:

As a part this faculty members of career guidance and counseling cell, regularly visits the school and colleges from the remote and tribal areas such as Gadchiroli, Gondia, Gadchandur, kurkheda, Chandrapur, Amgaon etc., to create awareness about various career opportunities available in the technical education. In this program the beneficiaries are made aware off importance of technical education, process of getting into and opportunities after graduation.

REPORT ON THE ACTIVITIES OF CAREER GUIDANCE AND COUNSELING

(SESSION:- 2023-24)

Career Guidance and Counseling Cell was set up in line with the vision of college "Service to the Society through Quality Technical Education". We at K.D.K. College Engineering Nagpur, has been serving the society since 40 years by the way of imparting quality technical education as well as by providing necessary guidance and counseling to the students from all sectors of society including Rural-Urban, Rich-poor to pursue their career as per their choice, passion and moreover as per the requirements of time.

The cell carries various activities such as creating awareness among the students about latest trends and opportunities in the field of engineering. We arrange the workshops and seminars to elaborate the aspiring Engineers in various colleges and schools in nearby and rural area of Nagpur region including all the districts. We also guide the students about various documents required to avail the benefits of reservations, scholarship and free ship schemes of Government for education and residential assistance as well as by certain N.G.O.s and other relevant details are also shared from time to time. The cell also keeps the students updated with latest developments through SMS.

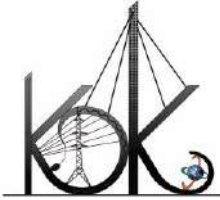

Dr. A.P. Fartode, Dean, Career guidance and counseling cell and his team is engaged throughout the year to cater to the needs of students and society.

The details of activities session wise are attached herewith.

Outcome:

As a consequences of this, many students from the remote and tribal areas such as Gadchiroli, Chamorshi, Chandrapur, Gondia, Amgaon etc., have been motivated and have joined our institute and not only they have successfully completed their degree but some of them have secured good job in the companies of National and International repute with good salary structure. Our effort in upbringing the students from such remote and tribal areas are highly appreciated and recognized by the educational institutes of these areas. We shall always thrive to shoulder our social responsibility towards the lowest section of society.

Following students from these areas have successfully completed their Engineering graduation and have secured job also.

Dear Divyansh,

We invite you to work with us at Voyage Robotics Pvt Ltd ("Voyage Robotics" or the "Company"): Here is your offer letter, the first step towards transforming yourself, the Company and the world by creating robotics starts up ecosystem to foster entrepreneurship.

Here are a few details about the "next play" you are about to experience. You will join us as a Centre Head, reporting to Niraj Takaikhede, Founder and CEO of Voyage Robotics, working on amazing, thought-provoking projects. We hope you accept our offer to work in an environment where relationships matter, Customers come first, where we do the right thing even when no one is looking, and where humor is core to our culture.

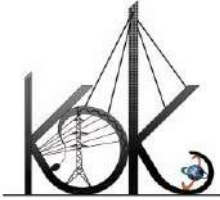

During Internship, you would be paid a monthly stipend of ₹10,000, less applicable taxes, deductions and withholdings. You will be paid monthly on the Company's regularly scheduled pay dates. Your first day of work at Voyage Robotics will be March 1 2024.

On successful completion of internship on September 1 2024, as defined in the job description in Annexure # 1, you would be promoted to a Full-time employee. Your full-time employee Compensation would be decided based on your internship performance and will include base compensation (110% - 300% of internship stipend), employee benefits, and performance bonus.

Bonus Plan: At Voyage Robotics, we demand excellence of ourselves and each other. That's why we reward you for meeting the challenges of transforming the world. You are eligible for an annualized bonus target of 7% of your annual base salary in accordance with the Voyage Robotics Employee Bonus Plan. The Plan year runs from January 1 to December 31. Employees hired into a bonus eligible position who begin employment on or before October 1 of the Plan year are eligible to participate in the current Plan period ending December 31. Employees hired into a bonus-eligible position who begin employment after October 1 are eligible to participate in the plan period starting January 1. Target incentives do not constitute a promise of payment. Whether or not you earn any bonus, and the amount of any such bonus, will be dependent upon the actual achievement by you and the Company against the applicable individual and corporate performance goals, as determined by the Company in its sole discretion, and is subject to your continued employment through the date the bonus is paid. Any bonus award will be calculated pro rata based on eligible earnings for your initial Plan year of employment and is subject at all times to applicable taxes, deductions and withholdings. The discretionary bonus scheme may be terminated, varied or replaced at any time at the absolute discretion of the Company.

Employee Benefits: We offer a very generous benefits package to full time employees. Summary details of these plans will be sent separately to you in June 2024. You will find an overview of benefits including monthly phone bill, company travel, continuous learning, mental/physical well-being and paid maternity leave of 12 months. You are eligible to enroll in benefits if you are a regular full-time employee regularly scheduled to work a minimum of 40 hours per week. If you are in an internship or regular part-time employee regularly scheduled to work less than 20 hours per week, you are not eligible for these benefits. Your benefits begin on your Start Date as a regular full-time employee and you will be required to complete an enrollment process to activate your benefits. An email notification will be sent to you with instructions on how to enroll in benefits. You must make your elections for benefits online within 31 days from your Start Date as a regular full-time employee in order to receive benefits for the remainder of the calendar year. Voyage Robotics may modify your benefits from time to time as it deems necessary.

2. National / International Recognition:

In today's world where the quality is important apart when it comes to technical education, since mere creating technocrats having only degree is not sufficient. K.D.K. college of engineering is striving to impart quality technical education to the engineering aspirants with a vision to create the competent and skilled technocrats, who can excel anywhere in the world.

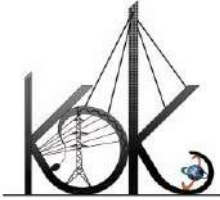

To maintain the quality of education (Teaching- Learning) over the length of period is not an easy job. But at K.D.K.C.E. we have following this period over the years and could be possible only because of our efforts to adhere to the norms laid down by the apex bodies such as NBA, NAAC etc.

K.D.K. College was the first institute in R.T.M., Nagpur University to get accredited by N.B.A. in the year 2007, for three programs (**Mechanical Engineering, Civil engineering, Electrical Engineering**). Going a step ahead, we are having NBA accreditation for almost 85% of programs (**Mechanical Engineering, Civil engineering, Electrical Engineering, Electronics & Telecommunication Engineering and Computer Science & Engineering**) during 2022-2023. Other programs are also in process of submission of accreditation.

This recognition is a result of our enduring efforts and measures to maintain the quality of technical education. Moreover, K.D.K college of Engineering is the only affiliated and self-financing college amongst the Engineering colleges in R.T.M., Nagpur University to achieve the feat.

Our institute is reaccredited for five Under-Graduates programs (**Mechanical Engineering, Civil Engineering, Electrical Engineering, Electronics & Telecommunication Engineering and Computer Science & Engineering**) till 2025 as a consequence of meeting the standard parameters laid down by N.B.A.

Due to this highest level accreditation at National level in the field of technical education and ranking, we have got recognition at the regional, national and global level. This is evident from the fact that many of our students are placed all over the

To,

The Principal
Karmavir Dadasaheb Kannamwar College of Engineering,
Great Nag Road, Nandanvan,
Nagpur- 440009 Maharashtra.

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier II offered by Karmavir Dadasaheb Kannamwar College of Engineering, Great Nag Road, Nandanvan, Nagpur- 440009 Maharashtra.

Sir,

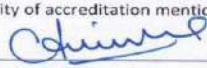

This is regarding Compliance Report submitted by Karmavir Dadasaheb Kannamwar College of Engineering, Great Nag Road, Nandanvan, Nagpur- 440009 Maharashtra for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2019-20 to 2021-22 whose validity of accreditation would expire on 30.06.2022.

2. An Expert Team conducted data verification of the programs on 8th May, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Civil Engineering	Tier-II (June, 2015 Document)	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electrical Engineering		Accredited		
3.	Electronics and Telecommunication Engineering		Accredited		
4.	Mechanical Engineering		Accredited		
5.	Computer Science and Engineering		Accredited		

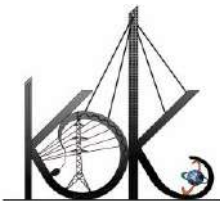

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. Karmavir Dadasaheb Kannamwar College of Engineering, Great Nag Road, Nandanvan, Nagpur- 440009 Maharashtra should submit fresh online application through eNBA portal at least five months before the expiry of validity of accreditation mentioned above.

3. Technology Enabled Learning Support:

Post pandemic, the weightage and importance of technology has increased tremendously in all the sections of society and education sector also has been a part of it. Due to the advancements in technology, the multifaceted teaching learning process and the multiple choices of courses have forced the technical institutes as well as students to adapt the technology enabled learning support to enhance the learning process.

We at K.D.K. College of Engineering have always kept pace with time and initiated the use of technology in teaching learning process from the pandemic period. During this pandemic, in spite of many restrictions we continued our teaching learning process by taking help of technology in terms of online teaching using various means such as Zoom meeting, Google classroom etc.

We continued our practice of using the technology to enhance the learning experience by having ICT facilities for both online/offline teaching in the classrooms. In addition to this, smart classrooms with interactive boards are made available in the institution. The QR code enabled study material is available on the college website wherein videos are prepared by faculty members on various topics, so that students can watch or download them as per their convenience.

Going one step ahead in this area, we have introduced digital library feature in our central library quite a long back. The students have access to various digital books, journals, software's by using their login credentials. Free Wi-Fi facility is made available to all the students so that they can download the academic contents on the go.
