One Day Workshop on “Intellectual Property Rights (IPR) & Patents and Design filing”

Date: 10-04-2026

Activity Report

Objective: To create awareness about Intellectual Property Rights (IPR) and to introduce students to patent and design filing procedures, encouraging protection of innovative ideas.

Description: The Department of Information Technology organized a One Day Workshop on the topic “Intellectual Property Rights (IPR) & Patents and Design Filing” on 10th April 2026 at 11:30 AM.

The workshop was conducted by **Mr. Kumar Raju**, Assistant Controller of Patents & Designs, RGNIIPM, Nagpur. The session aimed to create awareness among students regarding the importance of Intellectual Property Rights and the procedures involved in patent and design filing.

During the workshop, the resource person explained the concept of IPR, types of intellectual property, and their significance in innovation and research. He also elaborated on patent filing procedures, design registration, and legal aspects associated with intellectual property protection. Real-life examples and case studies were shared to help students understand the practical applications of IPR.

The session was highly interactive, and students actively participated by asking questions related to patents, copyrights, and trademarks. The workshop provided valuable insights into protecting innovative ideas and encouraged students to pursue research and development activities.

Outcomes:

- Students gained understanding of **Intellectual Property Rights (IPR)** concepts.
- Awareness about **patent and design filing procedures** was developed.
- Students learned the importance of **legal protection of innovative ideas**.
- Participants were motivated towards **research, innovation, and entrepreneurship**.
- Enhanced knowledge about the role of IPR in **career and industry growth**.

Activity Report (Session: 2025-2026)

Title of the Activity	One Day Workshop on "Intellectual Property Rights (IPR) & Patents and Design filing"		
Date of Activity	10-04-2026		
No. of Students Involved:	Male: 40	Female: 43	Total: 83
Details of Invited Speaker	Mr. Kumar Raju, Asst. Controller of Patents & Designs, RGNIIPM Nagpur, Nagpur.		

Brief about an Activity	The Department of Information Technology at KDK College of Engineering, Nagpur organized a One Day Workshop on "Intellectual Property Rights (IPR) & Patents and Design Filing" on 10th April 2026 for students. The session was conducted by Mr. Kumar Raju, Assistant Controller of Patents & Designs, RGNIIPM, Nagpur. The workshop aimed to provide students with knowledge about intellectual property, its importance, and the procedures involved in patent and design filing. During the session, students learned about different types of IPR, legal protection of innovations, and real-world applications. The activity helped students understand the significance of protecting creative ideas and encouraged them towards innovation and research. Overall, the workshop was highly informative and beneficial in enhancing students' awareness of IPR and its role in the IT industry.
Objectives	1. To create awareness about Intellectual Property Rights and their importance. 2. To provide knowledge about patent and design filing procedures. 3. To help students understand the legal protection of innovative ideas. 4. To encourage innovation, research, and creativity among students. 5. To bridge the gap between academic knowledge and industry practices in IPR.
Outcomes	1. Students gained understanding of IPR concepts and their importance. 2. Awareness about patent and design filing procedures was developed. 3. Students learned the need for protecting intellectual work legally. 4. Participants were motivated towards innovation and research activities. 5. Students developed interest in career opportunities related to IPR and entrepreneurship.
