MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

KDK COLLEGE OF ENGINEERING, NAGPUR

&

RAYSOFTBUZZ SERVICES PVT LTD, NAGPUR

CIN NO: U85499MH2024PTC427361
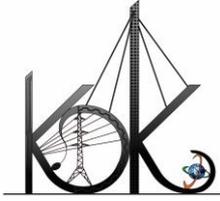

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the day 10 July 2024.

BETWEEN

KDK College of Engineering, Nagpur, the First Party represented herein by its **Dr. Ajay A. Jaiswal, HoD, Computer Science And Engineering, Representative** (hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

RAYSOFTBUZZ SERVICES PVT LTD, Ayodhya Nagar, Near Dadasaheb Khadse School, Jambudweep Nagar road, Nagpur, Maharashtra 440024, the Second Party, and represented herein by its Zonal / Divisional Head, **Sharad Bansod / Director & Founder,** (hereinafter referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A)   First Party is a Higher Educational Institution named:

(i)   **KDK College of Engineering, Nagpur.**

B)   First Party & Second Party believe that collaboration and co-operation

between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;

E) – RAYSOFTBUZZ SERVICES PVT LTD – , the Second Party is engaged in Skill Development, Education and R&D Services in the fields of - **Website Development, Mobile Application Development, Software Development, Cloud Computing-** - and related fields

F) – RAYSOFTBUZZ SERVICES PVT LTD – ,the Second Party is promoted by **promoter name** Group; Address and background of the Company;

G) Give related information, its branches, and dimensional information about the industry concerned with which the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing

significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3   The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

2.1   The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2   **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3   **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working

career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - - **RAYSOFTBUZZ SERVICES is a Website Development, Mobile Application Development, Software Development, Cloud Computing, Digital Marketing and Education Company.**

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

"Service to the Society through Quality Technical Education"

REPORT
ON
Value Added Course
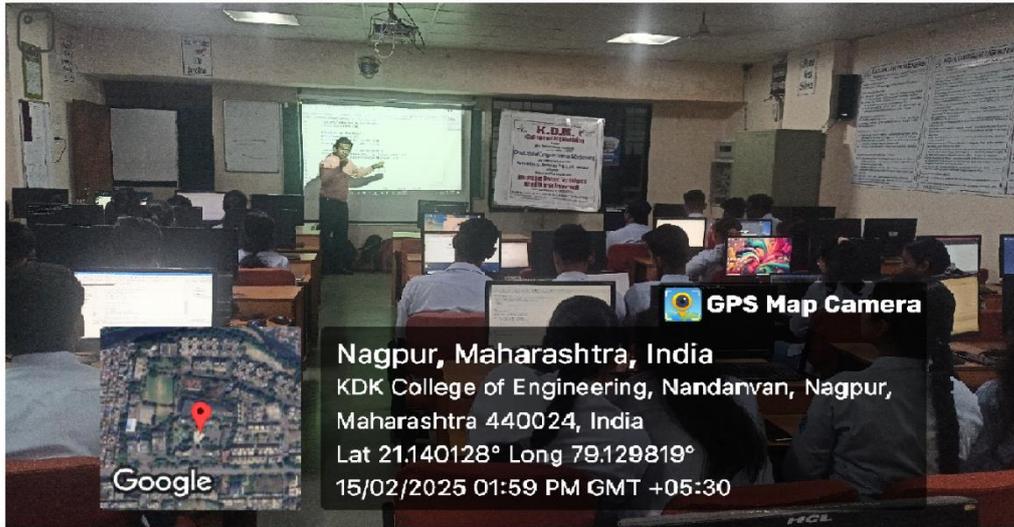

The esteemed speaker began the session by emphasizing the importance of innovative techniques and recent trends in java framework. He elaborated about advanced skills and knowledge in modern Java development practices. The lecture also covered the following key aspects, incorporating cutting-edge technologies to enhance performance, scalability, and developer productivity. He also discuss about the various Tools and introduce features to streamline development. The necessity of adaptability and resilience in a dynamic work environment. Introduce Java framework to build intelligent applications. The session was highly interactive, students of Computer Science and Engineering, department 2nd year actively participate in discussions and Q&A rounds. The speaker conducted the hands on practice and case studies that helps students to develop their programming skills. The expert lecture provided valuable insights into the essential traits required for students technical aspects. Students learned the importance of programming as a foundation for achieving excellence and the need for continuous learning to stay competitive in the job market. The session concluded with a vote of thanks to the speaker for their valuable contribution. The session is inaugurated in the presence of Dr. A. A. Jaiswal, Head of the department, Computer Science and Engineering.

Activity Report (Session: 2024-25)

Category of the Activity:	Value Added Course
Title of the Activity	Innovative Recent Techniques used in Java Framework
Coordinator	Prof. A. M. Kuthe Prof. S. S. Chahande
Date of Activity	12/02/2025 to 18/02/2025
No. of Students Involved:	Male: 30 Female: 33 Total: 63
Details of Invited Speaker	Mr. Sharad Bansod is a director of Softbuzz services, Pvt. Ltd., Nagpur
Brief about an Activity	A value Added course was conducted for students on Innovative Recent Techniques used in Java Framework. The session emphasized on designed to equip learners with advanced skills and knowledge in the latest developments within the Java ecosystem. These courses typically go beyond the standard curriculum, offering specialized training that enhances employability and expertise in modern Java development practices. The expert also highlighted about how to Adopt practices like continuous testing and integration to streamline the development process and improve code quality. Students gained insights into workplace expectations, career development strategies, The session aimed to prepare students for their future careers by instilling current trend technologies
Objectives	Educate students with advanced Java features such as **Java Records** and **Project Loom** to write more efficient and maintainable code, Explore the integration of Java applications with emerging technologies, preparing students for future industry trends.
Outcomes	1. Students understand the evolution of Java frameworks and their role in modern application development. . 2. Participants Learn how Java interacts with databases in a modern framework.

IT-NetworkZ Infosystems Pvt. Ltd.
NAGPUR- 22

1. OBJECTIVES OF THE MOU

The objectives of this Memorandum of Understanding are:

a. To promote interaction between ITZ and KDKCE in jointly beneficial areas towards students Technical Development.
b. To provide a formal basis for initiating interaction between ITZ and KDKCE.
c. To promote and enhance academic interest between ITZ and KDKCE.
d. To provide advice for implementation of Quality & Authorized IT & related telecomm education at KDKCE.
e. To encourage bright students of KDKCE to come for Internship/Industrial Visit/IT Education at ITZ.
f. To promote IT, Communication, Robotics, & Electronics' related education activities between institutions.
g. To make Students eligible & provide them platform of International Certifications towards IT and Communication.

2. PROPOSED MODES OF COLLABORATION

ITZ and KDKCE (For Departments of Computer Technology & IT) propose to collaborate through the following:

a) Non-Commercial Cooperation and endorsement of Education and Training in areas of mutual interest.

b) Any other below mentioned appropriate mode of interaction agreed upon between ITZ and KDKCE.

Technical Areas of Collaboration

a) A continuing IT Quality improvement programme to improve quality of Information Technology education at KDKCE through short-term/long-term certificate courses at ITZ, Faculty/Guide of ITZ could also be sent to KDKCE for necessary assistance and guidance.

b) Provide academic interaction by delivering special lectures at KDKCE on topics of relevance to IT industry.

c) Provide necessary help in organizing Workshops/Conferences Programs at KDKCE for enhancement of skills for students of KDKCE .

d) Provide necessary support for establishment of IT Infrastructure as needed for any IT focused activities and Webinars.

e) Usage of Academic Infrastructure of KDKCE for conducting Lectures/Workshops/Technical Seminars.

f) To provide Internship programme/Industrial Visits for students of KDKCE under course programme of ITZ Nagpur

a. **Industrial Visits for students – Semester / Year wise**

   We believe that, **Industrial Visit** is considered as one of the most tactical methods of teaching. It provides students with an opportunity to learn practically through interaction, working methods and employment practices. Moreover, it gives exposure from an academic point of view. ITZ also understand that, Industrial visit is a part of an Engineering course, during which students visit companies and get insight regarding the internal working environment of a company and how a company functions, as well as useful information related to the practical aspects of the educational course which cannot be visualized in lectures.

b. **Internship & Live Project Development using Industry Platform – Software Programming**

   Summer & Winter Internship:
   An Internship at IT-NetworkZ provides valuable experience to all interns. As per ITZ experience, it helps candidate to gain a better understanding of their Knowledge, likes, dislikes, and wants for the future. It also gives them valuable hands-on experience and allows them to apply what they've learned as per their interest to a certain career field.

   Interns can join & complete this Internship only at Company premises. Duration of this Internship is 6 Weeks to 8 Weeks depending upon the Company Schedule. Interns may have to spend at least 2 Hrs / day during session. Summer Internship Starts in the Month of May & June while the Winter Internship sessions starts in the month of November & December. Industry Speakers, Tech Guides and Developers covers all the sessions in Internships.
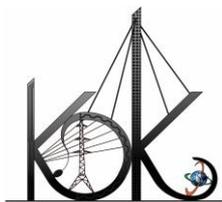

Besides providing projects from our sister concern IT-SoftZ we also have association with many IT companies who provide live modules to us.

As far as the current IT industry is concerned, IT-NetworkZ believes supply is more than demand. Our Project Development assignment helps Students to get more practical knowledge than theoretical. The industry needs hardcore coders who will deliver quality projects adherence to timelines. Not only that current IT industry is looking for people who thinks out of box and can practically implement ideas. The significant part by doing an academic project is that the students will learn the technology thoroughly and should be able to deliver any project in that language. The most important phase of a technical student is his ability to display his/her knowledge practically.

This bond will help KDKCE students to get entry for very nominal fees. Students/ Candidates would bare their own expenses for this facility. Likewise Internship, Project trainees can join & complete this work only at Company premises. Duration of this Project work is 12 Weeks to 24 Weeks depending upon the Company Schedule. Trainees may have to spend at least 4 Hrs / day during session. Trainees would have to go through necessary training and then need to finish tasks allotted by Team Leads and Developers.

c. **Technical Seminars / Workshops**

IT-NetworkZ always give preference to keep the students well acquainted with contemporary issues in IT & its related Industries and to keep pace with the changing environment, seminars/ workshops plays an vital role for development, we would organize this on Every Friday or Saturday, where our Industry experts will deliver Guest lectures, Speeches and demonstrations on recent trends (Topics and Modules wise) related to Information Technology for faculty members and students. In order to improve students' developing knack of handling interview & communication skills and to provide strong foundation of Computer languages communication workshops would be regularly organized as per mutual schedule which would also includes building positive attitude, positive thinking, time management, developing interpersonal skills, developing listening skills and participation skills in group discussions etc (For Topics, take ref of resources mentioned in para 2-d).

d. **IT Training's (Under- IT Infrastructure, Client & Web Based Software, Database, Cloud, Mobile Apps, etc)**

Here, IT Training is an Industrial training, method by which a student can undergo somewhat theoretical and more on practical training with an industrial undertaking having specified interest. Industrial training can be commenced on regular basis during semester of students academic. Industrial training can be performed in a Network Infrastructure, Software, Database Management, Artificial Intelligence, Mobile Apps Development and Hardware domains.

Resources as per IT International Standard and requirements are currently available for:

Microsoft Platform – C#.Net, Active Server Pages. Net, XML and SQL Server (back end), Silverlight, WCF, Etc
Oracle Database – Oracle SQL Expert, Forms Apps, Back up & Recovery, Performance & Tuning, latest Administration I & Administration II Tracks
Open Source SW Platform – Using Core Java, Advance Java and Java 2 Enterprise Edition (J2EE)
Advance Technologies – Struts, Eclipse, Hibernate, etc
Web Tech – PHP and My SQL
Hardware – CompTIA A+ and Network +
Network & Security – CCNA (Using Live Cisco Routers & Switches), ICND, CCNP with Routing, Switching & Troubleshooting
**System & Securities** – Microsoft Solutions Associate & Engineering, Exchange Server
Wireless Tech – Essentials of wireless communications with Antennas, Wireless Routers and other Devices

These modules as resources are subject to change as per the Industries guidelines & up gradations and also can be added and/ or remove.

e. **International Certifications Through Prometric & Other Test delivery partners**

Global Need- IT-NetworkZ is an International Test Delivery Centre and helps Students as well as working professionals for scheduling and delivering International IT Exams also we assist them in preparation before attempting to respective exams. These IT Certification brings with it industry recognition, improved job opportunities, and improved pay. Folks who want to self-study for a certification can do so. They don't have to go
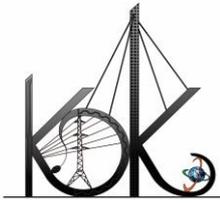

General Idea - The IT training and certification industry is open to people of all ages and backgrounds. Anyone who wants to change careers, wants to learn new skills, and is willing to learn and work hard can be successful in IT. Students/ Candidates those who are 18 years old or 80 years old, you can have a good career in IT through the certification options available.

Facts:

- **86%** of hiring managers indicate **IT certifications are a high or medium priority** during the candidate evaluation process. (CompTIA, *Employer Perceptions of IT Training and Certification*, January 2011).
- **8 in 10** HR execs verify certifications among job candidates. (CompTIA, *Employer Perceptions of IT Training and Certification*, January 2011).
- **91%** of hiring managers consider certification as part of their hiring criteria. (Microsoft, *Microsoft Certification Program Satisfaction Study*, April 2012).
- **64%** of IT hiring managers rate certifications as having **extremely high or high value in validating the skills and expertise** of job candidates. (CompTIA, *Employer Perceptions of IT Training and Certification*, January 2011)
- **Certification, Training and Experience** are three of the top four **most important characteristics** when selecting a candidate for a cloud-related position. (IDC/Microsoft, *Climate Change: Cloud's Impact on IT Organizations and Staffing*, November 2012)

Challenge - The only confusing and difficult part of Certifications is that, the certification process can cost a high amount in terms of finances and time. Most of the available certifications can be earned through experience and self-study, while some require high-cost instructor-led training. There are too many certifications available and student or candidate needs to decide this by them self.

Companies Who Offer – Apple, Black Berry, CompTIA, EMC2, Redhat Teradata, Oracle, Microsoft, IBM, Google, Planet 3 Wireless, Cisco Systems, TCS, Magento, Zend and other Global Brands.

f. **Placement Drive for Final Year Students:**

This facility can be avail by the Students those who have gone through proper training and project development work. IT-NetworkZ will assist Placements for all such respective students into own (IT-NetworkZ) and associate Companies. This doesn't intent that it brings any sort of assurance of Students placement. IT-NetworkZ and its associates do not guarantee about placements and joining.

WHEREAS

The **KDKCE** has decided to recognize **IT-NetworkZ** an approved Institution as decided by the Syndicate of the Board and to recognize to conduct various Industries/Job oriented para-professional courses under the approved institution of On campus/Off campus paraprofessional programme centers/Transfer of Technology and research programme centre in collaboration with ITZ.

The parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. The parties now, have therefore, agreed to enter in writing these areas of consensus, under a Memorandum of Understanding.

Now this Memorandum of Understanding witnesses that: The IT-NetworkZ (approved Institution) shall offer the above listed training and Services as approved by the KDKCE for Department of Computer & Information Technology. The training fees of the respective courses may be fixed and revised as and when required by the mutual consent of the KDKCE and IT-NetworkZ (approved institution).

3. **CONFIDENTIALITY**

a. During and for a period of Four years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.

b. The obligations above shall not extend to any confidential information for which the receiving party can prove
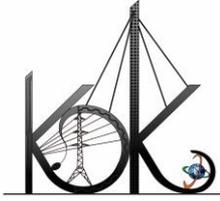

4. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

5. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire 4 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Agreement, Confidentiality clause as referenced in clause 3 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

6. RELATIONSHIP

Nothing in this MOU shall be construed to make party a partner, an agent or legal representative of the other for any purpose.

7. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

8. MISCELLLANEOUS:

a. The details for the efficacious implementation of this Memorandum of Understanding shall be jointly worked out on mutually acceptable terms within the parameters of the policies, rules and regulations of both the institutions.

b. The parties to this memorandum may, by mutual consent, add modify, amend, delete, review or revise any term(s) and condition(s) of this agreement.

c. The intent and implementation of this memorandum is **SUBJECT** to the policies of the respective states (in case of international agreements) and the laws of the land.

d. The parties to this **MOU** undertake to treat as **CONFIDENTIAL AND PRIVILEGED** information of the other institution, which is so classified in advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable terms.

e. This MOU shall require the ratification of the competent academic/executive body of both the institutions.

9. COSTS OF THE MOU
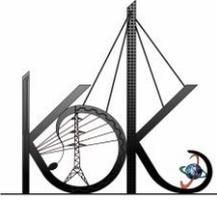

10. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

## Activity Report

Date – 10/04/2025

Computer Science & Engineering Department of KDK College of Engineering, Nagpur organized Industrial Visit an "IT-NetworkZ Infosystems Pvt Ltd", on 09th April 2025 at 02:30 pm to 5:00 Pm.

We recently undertook an industrial visit to **IT Networks Pvt. Ltd.,** a leading provider of IT infrastructure and network solutions. The purpose of the visit was to gain real-world exposure to current trends in information technology, understand the role of internships in professional development, and learn about the latest global advancements in IT infrastructure management.

Overall, the visit was highly educational and provided us with valuable insights into the real-world applications of our academic learning

• Dr. V. P. Varghese, Principal of KDKCE, Dr. A. M. Badar, Vice Principal of KDKCE and Dr. A. A. Jaiswal, HOD of CSE Department appreciated the initiative taken for the program.

Prof.,A. Kuthe & Prof. S.B.Verma Department of Computer Science & Engineering coordinate the program well., Dr. K. S. Chandwani, , Prof. S.A. Kurzadkar Prof.. V. R. Surjuse , Dr. A. Bhange , Prof. A. Nachankar, Prof. P.R. Singam, Prof. & other staff members guided the team member and also taken efforts for the success of the Event.

### Activity Report (2024-25)

Category of the Activity:	Industrial Visit
Company Name :	"IT-NetworkZ Infosystems Pvt Ltd"
Coordinator	Prof. A.M.Kuthe , Prof. S.B.Verma
Date of Activity	09 April 2025
No. of Students Involved:	Male: 18 Female: 22 Total: 40

Brief about an Activity:	We visited **IT Networks Pvt. Ltd.** to gain practical insights into modern IT network trends and infrastructure management. The session covered topics like network automation, cloud computing, and cybersecurity. Experts also emphasized the importance of internships in building industry-ready skills. The visit was informative and enhanced our understanding of current IT practices.
Objectives:	The main objective of the industrial visit was to bridge the gap between academic learning and real-world industry practices. It aimed to provide students with practical exposure to current IT network trends, infrastructure management, and the role of internships in career development.
Outcomes:	The industrial visit enhanced our understanding of emerging IT network technologies and infrastructure management practices. Students gained practical insights into industry operations and the importance of internships for skill development. The experience also helped connect theoretical knowledge with real-world applications.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

**Entrepreneurship Development Cell,
K.D.K.College of Engineering, Nagpur**

AND

Margdarshan Institute of Professional Management, Nagpur
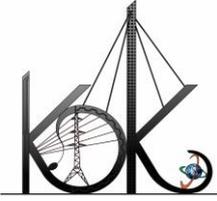

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 2nd day of December2024, by and between **Entrepreneurship Development Cell, K.D.K. College of Engineering, Nagpur**, the First Party represented herein by its Principal / Director / Head of Institution, And **Margdarshan Institute of Professional Management, Nagpur**, the Second party, and represented herein by its Centre Head / Director / Managing Director/Proprietor **Ms.Sonali Mishra**
WHEREAS:
A) First Party is a Higher Educational Institution named: **Entrepreneurship Development Cell, K.D.K. College of Engineering, Nagpur**
B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Internship, Placement, Industrial Visit, Expert Lecture, Entrepreneurship Development Programs etc.
D)**Margdarshan Institute of Professional Management, Nagpur**, - the Second Party is engaged in developing Students for Entrepreneurship, Various skill Training Programs, Internship etc.
NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1:- CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.

1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

1.4 The parties will share information in strict confidence and will respect the intellectual property rights of each other.

CLAUSE 2 :- SCOPE OF THE MoU

2.1Skill Development Training : Institute and Institution interaction will provide an insight into the latest developments / requirements in Entrepreneurship; the Second Party to permit the Faculty and Students of the First Party to involve in Skill Development Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Entrepreneurship Development Program: Second Party will actively help in organizing the Entrepreneurship awareness, and development programs.

2.3 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the Entrepreneurship, Skill Development and in house requirements.

2.4 Internship : second party will actively engage to help the delivery of the training and placement of the students of the first party on the Entrepreneurship and in house requirements.

2.5: As per requirement of second party, first party will help in providing students, facilities for delivering training etc.

2.6: There is no financial commitment on the part of the, **Entrepreneurship Development Cell, K.D.K.College of Engineering, Nagpur,** and the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately as required from time to time.

2.7 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3:- VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4:- RELATIONSHIP BETWEEN THE PARTIES

4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Report on Training Program on Entrepreneurship Development on "Solar Power Installation"

**K.D.K. College of Engineering**, in association with Institution's Innovation Council and Entrepreneurship Development Cell and Margadarshan Institute of Professional Management, Nagpur has organized a training program on **Entrepreneurship Development** on "**Solar Power Installation**" from **10/12/2024 to 30/12/2024** (20 Days). The training program was inaugurated on 10/12/2024 . **Ms. Sonali Mishra, Proprietor , Margadarshan Institute of Professional Management , Mr. Ajay Borkar, Free lanced Trainer in Solar System from Nagpur** were the resource person. The program was conducted through class room training , hands on training , and site visits. The course provided the students the complete insight of the solar system and prepared students to think over starting their own venture in solar power installation. The completion of program is followed by one month internship. Near about **66** students from Mechanical Engineering, Electrical and Electronics Engineering were participated .

Dr.Valsson Varghese Principal, Dr. S.R. Ikhar Head, Department of Mechanical Engineering, H.O.D. and Faculty members from various departments and students were present on the inauguration program. V.N. Mujbaile Asst. Professor & Co-coordinator E.D.Cell and V.D. Dhopte Asst. Professor have conducted a program.

To,

The Principal,

KDK College Of Engineering

Nandavan

Nagpur

Date:28/11/2024

Greetings from Margdarshan!

Margdarshan is working in Entrepreneurship and skill development in Nagpur since last 10 Years.

At present we have order to give training to youth in the field of Solar Sector.

This training is a CSR initiation of City Bank.

We wish to Conduct this training in your esteemed organisation for the final year students

The duration of the training is 20 working days daily 5 hours.

<u>Objective of the training</u>: To develop skill manpower to work in solar sector and to develop Entrepreneurship in the field of Solar Sector

After the training we would guide the candidate for a one month internship program in Solar Marketing also.

Doing an internship in solar Marketing would be compulsory for all the candidates.

Requesting you to allow us to conduct the training for your final year candidate's.

Details about the training are attached.

Awaiting your positive reply.

Regards,

Sonali Mishra

"Value Added Course"

"Professional drafting using AutoCAD"

By

Department Of Civil Engineering

In Association With

CADD Centre Dharampeth , Nagpur
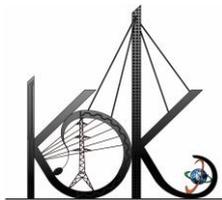

Session 2024-2025

Course Duration: One Months (15 Jan to 3 March 2025)

Venue : Computer Lab, Department of Civil Engineering ,KDKCE, Nagpur

Introduction: The Value Added course cum Training Program of Professional drafting Using Autocad Software for 2nd year students was organized by the Department of Civil Engineering of K.D.K.College Of Engineering, in collaboration with CADD Center Dharampeth, Nagpur. Prof.Dr.Balbir Singh was the coordinator for this training program under the guidance of Dr. Swapneel Satone (Head Of Department).

The aimed of Value-added course to provide participants with a comprehensive understanding of the AutoCAD software and its importance in drafting of different structures and it components that are use in Civil Engineering. The resource person for the event was Ms. Samiksha Saoji (BE) & Mrs. Pranav Gedam (BE) who conducted the training program, covering both theoretical and practical aspects of AutoCAD 2D & 3D implementation in Civil Engineering.

Course Objectives:

The primary objective of this courseware is to teach students the basic commands necessary for professional 2D drawing, design and drafting using AutoCAD This includes:

Navigating the AutoCAD user interface

- Using the fundamental features of AutoCAD e Using precision drafting tools in AutoCAD to develop accurate technical drawings.
- Presenting drawings in a detailed and visually impressive manner

Intended Outcomes for the Course

Upon Completion of the course students will be able to:

- Utilize the power and precision of AutoCAD as a drafting and design tool used in the building design and Construction industries.
- Apply basic CAD concepts to develop and construct accurate 2D geometry through creation of basic geometric constructions.
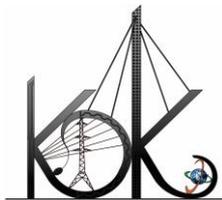

- Create, manipulate and edit 2D drawings and figures.
- Apply elements of civil drafting such as layers, dimensions, drawing formats and 2D figures in projects with a focus on AEC industry standards.

Course Activities and Design

Instructor activities:

- Provide Lecture using AutoCAD software, demonstrating commands via user interface and typed commands. Use examples and projects seen in the CAD and drafting industry.
- Demonstrate AutoCAD commands and workflow through lecture and videos.
- Show industry standard procedures to solve various drafting and CAD related industry problems.
- Oversee open lab time to assist students in assigned projects. Use question and reinforce lecture material for guiding students to complete projects.
- Coach students to instill confidence and develop the ability for self-teaching.

Value Added course on AutoCAD 2D & 3D Highlights:

The software course training was divided into multiple sessions covering various aspects of AutoCAD 2D & 3D software. The following topics were covered during the course:

1. Introduction to Different Drawings types use in Construction Industry.
2. Introduction to AutoCAD
3. User Interface of AutoCAD 2D
4. Creation of 2D geometries using draw & modify tool of AutoCAD 2D
5. Creation of Building floor plan using AutoCAD commands.
6. Creation of Elevation and building section using commands.
7. Creation of Table using AutoCAD commands as well as importing excel table into AutoCAD.
8. Sheet Creation using CAD.
9. Introduction to AutoCAD 3D
10. User interface of AutoCAD 3D
11. Creation of different 3D Objects like Door, Window, Furniture etc using AutoCAD 3D.
12. Application of Material texture to objects.
13. Creation of environment exposure

Asstt. Professor
Department of Civil Engineering
K. D. K. College of Engineering
Nagpur - 24
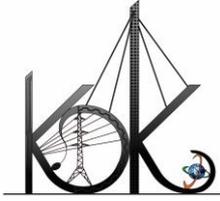

14. Creation of different scenes of 3D objects using Camera

15. Rendering of 3D object into AutoCAD

Demonstration of AutoCAD commands by Instructor

Outcome Assessment Strategies

1. Complete assignments, projects, test or quiz problems and class activities which apply real-life situations to computer aided design and drafting scenarios encountered in industry using AutoCAD.

2. Complete activities, assignments and exam, which show an understanding of AutoCAD projects and design problems related to computer aided design and drafting profession.

3. Participate in and contribute to class discussions, activities and projects

Assessment must include evaluation of the student's ability to arrive at correct drawings or designs using proper procedures and notation with AutoCAD for making 2D drawings.

Asstt. Professor
Department of Civil Engineering
K. D. K. College of Engineering
Nagpur - 24
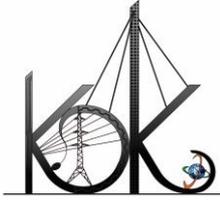

CADD Centre Dharampeth

Subject: Proposal for AutoCAD Training Partnership

Dear Sir,

I hope this letter finds you well. I am writing to propose a mutually beneficial collaboration between CADD Centre Dharampeth. and your esteemed college for the provision of AutoCAD training on your campus. We have carefully assessed the educational needs of your institution and are confident that our expertise in AutoCAD training can significantly contribute to the skill development of your students.

Overview of CADD Centre Dharampeth .

CADD Centre ia a reputable firm specializing in BIM services and training with a team of highly skilled professionals and a proven track record in providing quality training, we are dedicated to empowering the next generation of engineers with practical skills that are essential in today's competitive job market.

Proposal Details:

1. AutoCAD Training Program: We propose to conduct an AutoCAD training program at your college for civil engineering students. Our curriculum is designed to cover essential AutoCAD skills, including practice projects. The program will be structured to accommodate different skill levels.

2. Instructors: Our experienced instructors, who are experts in AutoCAD, will lead the training sessions. They will provide hands-on guidance, practical insights, and real-world applications to ensure that students not only understand the software but can also apply it effectively in their future careers.

3. Duration and Schedule: We recommend a 1 month program, with 25 module of training. The schedule can be tailored to fit the academic calendar of the college and the availability of students.

4. Cost Proposal: Recognizing the importance of cost-effectiveness, we are pleased to offer our training program at a significantly lower cost than the market rates. We are proposing a fee of -

   a. 2000 INR per student considering a batch of 25 students.

Address.
CADD Centre
98, Paradise, Opposite khandelwal Jewellers, Besides Milton Mall, Dharampeth, Nagpur.
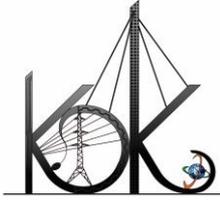

5. Infrastructure Requirements: We will work closely with the college to identify and arrange for any necessary infrastructure requirements, such as computer labs, projectors, and software installations.

6. Certification: Upon completion of the program, participants will receive a certificate from Cadd Centre Dharampeth, validating their proficiency in AutoCAD. This certification will enhance their resumes and increase their employability in the engineering industry.

Benefits for Students:

- Enhanced Curriculum: Integrating AutoCAD training into the curriculum will enrich the educational experience of your students and provide them with practical skills that are highly valued in the industry.

- Competitive Edge: Graduates with AutoCAD proficiency will have a competitive edge in the job market, making them more attractive to potential employers.

We would be delighted to discuss this proposal further at your convenience. Please let us know a suitable time for a meeting or if you require any additional information. We are excited about the prospect of contributing to the success and look forward to the possibility of working together.

Thank you for considering our proposal. We appreciate the opportunity to collaborate with your esteemed college.

Sincerely,

Asstt. Professor
Department of Civil Engineering
K. D. K. College of Engineering
Nagpur - 24

MEMORANDUM OF UNDERSTANDING (MoU)
BETWEEN
K.D.K College of Engineering Nagpur
AND
Crescentweb Technology Nagpur

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 22 of August 2024 between KDKCE and Crescentweb Technology Nagpur.

K.D.K College of Engineering Nagpur, the First Party represented herein by its Principal / Director / Head of Institution **K.D.K College of Engineering Nagpur**, And **Crescentweb Technology Nagpur**. The Second party, and represented herein by its **Nikhil Raut (Managing Director)**

WHEREAS:

A) First Party is a Higher Educational Institution named: **K.D.K College of Engineering Nagpur**,

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **Crescentweb Technology Nagpur**, - the Second Party is engaged in Internship/ Training / Placement .

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:
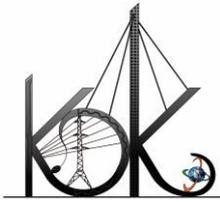

"Service to the Society through Quality Technical Education"

KDK College of Engineering, Nagpur

(Accredited by NAAC & NBA-CE,EE,ME,ETC,CSE)

Approved by AICTE, Recognized by UGC under Section 2(f) of the UGC Act, 1956
Affiliated to Rashtrasant Tukadoji Maharaj Nagpur University

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.

1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2 SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3 VALIDITY

3.1 This Agreement will be valid for 1 year, it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4 RELATIONSHIP BETWEEN THE PARTIES

4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

MEMORANDUM OF UNDERSTANDING

This Memorandum **of Understanding** (here in after called as the 'MOU') is entered into on this the **(29th August, 2024 to 28th August 2032)**

BETWEEN

K D K COLLEGE OF ENGINEERING NAGPUR (MCA), the First Party represented herein by its **Competent Authority: Dr. Valsson Varghese, Principal, K D K COLLEGE OF ENGINEERING NAGPUR,** hereinafter referred as **'First Party'**, the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

IT-NetworkZ Infosystems Pvt Ltd. (IIPL), Nagpur, the Second Party, and represented herein by its Technical Head, **Mr. Rajiv Verma**, (here in after referred to as **"Second Party"**, company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A)   First Party is a Higher Educational Institution named:
     K D K COLLEGE OF ENGINEERING NAGPUR (MCA)

B)   First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C)   The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D)   Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

A)   **IT-NetworkZ Infosystems Pvt Ltd., Nagpur**, the Second Party is engaged in Skill Development, Education and R&D Services in the fields of application development, Software testing, IT infrastructure Management Services, and related fields

B)   Now therefore, in consideration of the mutual promises set forth in this MoU, the parties hereto agree as follows:

CLAUSE 1 CO-OPERATION: -

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share the information related to the field that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU.

The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MOU:-

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group institutions and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Project Development:** Both Parties have agreed to carry out the joint project development activities in the fields of **Software / Application, Testing and Quality Assurance, Design, Network and Communication.**

2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in-house requirements.

2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

2.9 Financial part of any circumstances will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **IIPL, Nagpur**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **IIPL, Nagpur**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party.

Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Name of City: Nagpur.**

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

KDK COLLEGE OF ENGINEERING NAGPUR
(Department of Master of Computer Application)

&

ADITVA TECHNOLOGIES
(CIN NO: U24111BS1672PLCOC4232)

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 26th– September – Two Thousand Twenty Four **(26/9/2024)**

BETWEEN

KDK College of Engineering Nagpur, the First Party represented herein by its **Dr. Anup Bhange Head Department of Computer Application** (here in after referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Aditva Technology Deo Nagar Nagpur, Maharashtra 440013, the Second Party, and represented herein by its Zonal / Divisional Head, **Piyush Banik/ Director & Founder**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A)   First Party is a Higher Educational Institution named: **KDK COLLEGE OF ENGINEERING NAGPUR**

B)   First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C)   The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;

E) – **Aditva Technology** – , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of - **Website Development, Mobile Application Development, Software Development, Business Intelligence Consulting, Digital Marketing Services- -** and related fields

F) – **Aditva Technology** – ,the Second Party is promoted by **promoter name** Group; Address and background of the Company;

G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL P ROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and

documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - - **Aditva Technology is a Website Development, Mobile Application Development, Software Development, Business Intelligence Consulting, Digital Marketing and Education Company.**

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.10 There is no financial commitment on the part of the **KDK College of Engineering,** the First Party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how,

inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Aditva Technology** the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Aditva Technology**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

4.3 This MOU is signed for the period of **5 Years,** after that both the parties will resign the MOU with updated terms and conditions.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party   Second Party

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Nagpur.**

NOW THEREFORE THIS MOU WITNESSETH AS FOLLOWS:

1. Objectives:

The objective of this MOU is to combine and synergize the expertise of Garuda Aerospace and K. D. K. COLLEGE OF ENGINEERING. Both the parties shall commit the necessary resources in pursuance of the objectives and formulate necessary action plan to fulfil the objectives. Both the parties undertake to work with each other in a seamless and transparent manner in the spirit of mutuality and partnership.

2. Areas of Cooperation:
This MOU addresses mutual cooperation in the following areas:

(A) Research and Development

(B) Training

(C) Service and Maintenance

(D) Advisory role in academics (Drone Technologies)

Garuda's Commitment

- Garuda Aerospace Centre of Excellence (CoE) at the K. D. K. COLLEGE OF ENGINEERING engages faculty and students of the institute in research, consultancy, service & maintenance of Drones and training programs/certificate courses.

- Provide inputs to enhance the curriculum and be an advisory from the capacity of an industry expert in Aeronautical field (Drones).

- Provide RPTO licensed training to students and faculties of the Garuda Aerospace Centre of Excellence (CoE) of K. D. K. COLLEGE OF ENGINEERING, on commercial basis. Theory and simulation training will be conducted at the K. D. K. COLLEGE OF ENGINEERING, while flying training will be conducted at Garuda Aerospace, Chennai.

- Provide internship opportunities to the students of K. D. K. COLLEGE OF ENGINEERING.

- Provide placement opportunity to the students of the Garuda Aerospace Centre

Page 3 of 11
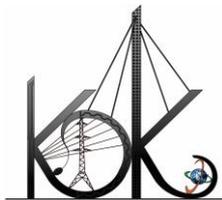

of Excellence (CoE), if found eligible, he/she will be hired to the team as per their interest and capabilities. Conducting National Drone Events/Competitions for the students of Garuda Aerospace Centre of Excellence (CoE) at K. D. K. COLLEGE OF ENGINEERING yearly.

K. D. K. COLLEGE OF ENGINEERING Commitment

- Provide civil, electrical and computing facilities for the Garuda Aerospace Centre of Excellence (CoE).

- Shall nominate two faculty members of Electronics and Telecommunication Department preferably in the grade of Asst. Professors and above, to undergo 5 day training program at any of Garuda Aerospace's facilities. This training program shall be offered at free of cost. Food and Accommodation to be borne by the K. D. K. COLLEGE OF ENGINEERING. These two faculty members of Electronics and Telecommunication Department shall maintain and operate the Garuda Aerospace Centre of Excellence (CoE) as per the policy and guidelines defined by Garuda Aerospace. No honorarium or salary shall be paid for such activities.

- Provide accommodation and hospitality at subsidized rates from K. D. K. COLLEGE OF ENGINEERING to the trainers and experts from Garuda Aerospace during training and consultancy activities. Provide accommodation (subject to availability) and hospitality for external trainees on a paid basis

- K. D. K. COLLEGE OF ENGINEERING will provide Advisory Services through our faculties who are trained in this domain once the MOU is executed and operationalized.

- Act as a service centre of Garuda aerospace and render repair and maintenance of Drones to the clients of Garuda aerospace
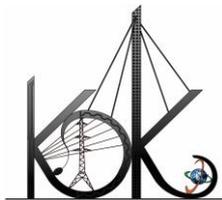

Page 4 of 11

2.1) Revenue Sharing:- Garuda: K. D. K. College of Engineering 50%: 50%

2.2) Commitments

a) <u>Commitments from Garuda</u>

* Investment of 10 lakhs (1 Agri Drone, 1 Droni Drone,1 container, 1 projector, couple of systems, simulators, etc)

* Course Materials, Curriculum

* Training certificates

* 2 Dedicated Garuda Staff in University

* Placement opportunities

* Internship Opportunities

* Free 1 day Workshop on Drones for all students

b) <u>Commitments from the K. D. K. College of Engineering</u>

* Space on Campus

* Ground (60m × 60m)
  (Required only for demonstration and flying of drones)

* SPOC to help organize & communicate with Students

* Student Cooridnators/Interns

* Dedicated Faculty to impart program after TTT

2.3) Why Garuda

- Industry Experience – 8 years

- Academic Experience – 20 years

- Manufacturing Facilities – two facilities – Chennai & Prayagraj

- 1127 Pilots graduated and deployed in operations

- Trainees can get exposure on manufacturing process at any of our two-manufacturing facility.

- Only Drone Company to have double dual certification – Manufacturing approval for Small & Medium and DGCA approved Drone Pilot License training for Small and Medium

Page 5 of 11
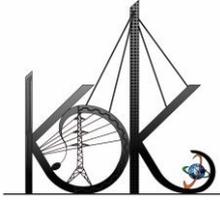

3. Non-Exclusivity:

The cooperation/understanding contemplated herein is not exclusive and GARUDA AEROSPACE/ K. D. K. COLLEGE OF ENGINEERING shall be free to enter into similar arrangements with any other party also.

4. Exercising Authority:

Both GARUDA AEROSPACE and K. D. K. COLLEGE OF ENGINEERING will nominate and inform to each other names of two specific representatives to act as the exercising authorities, for operating the various provisions of this MOU on behalf of their respective organizations. All formal communications will be exchanged only through these nominated representatives.

5. Validity of this MOU

This MOU shall be valid for a period of 3 years initially from the date of signing, after which it can be renewed by mutual agreement between the parties. Either party during its currency can also terminate this MOU by giving a notice of one month on the other. On termination, each party shall return to the other party all such documents and reference material as may have been borrowed for the purpose of fulfilling the work under this MOU. This MOU shall also stand terminated if a court of competent jurisdiction declares either of the parties as insolvent. Any termination as per this clause shall not affect the antecedent liabilities of the parties prior to the termination including completion of all assignments that have been agreed prior to such termination.

6. Confidentiality:

In the course of fulfilling the mutual responsibilities under this MOU, there will be a sharing of information of confidential nature. Both parties hereby agree to maintain such information relating to methods, trade secrets, products, services, processes, techniques and other proprietary information in strict confidence and not divulge these to any third party without the express consent of the other party except as may be necessary in the course of fulfilling mutual responsibilities in this MOU. This clause of confidentiality shall extend to the parties employees and associate / Subsidiary Companies / Concerns.

Page 6 of 11
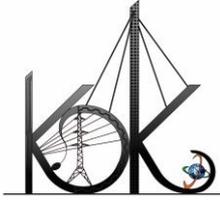

The parties each agree to refrain from distributing, disclosing or disseminating the Confidential Information of the other party and its affiliated entities which is disclosed to it and its affiliated entities in any manner to any person or entity except to the Recipient's employees, consultants and agents who have a need to know and who are obligated in a manner consistent with this MOU to maintain the confidentiality of such information.

Each party's obligation to maintain the confidentiality of the Confidential Information of the other party shall expire two (2) years after the date of disclosure or 12 months after expiry or termination of this MOU whichever is earlier. All drawings and other documents, any copies thereof, or things or samples which embody the Confidential Information of a party shall remain the property of that party and will be promptly destroyed, upon that party's request. The parties each agree that the Recipient of Confidential Information shall not remove any copyright, confidential, proprietary rights or intellectual property notices attached to or included in any Confidential Information furnished by the other. The Recipient shall reproduce all such notices on any copies.

The restrictions and confidentiality obligations set forth in this MOU shall not apply to the Discloser's Confidential Information which:

a) is disclosed upon the advance written authorization of the Discloser;

b) is lawfully disclosed to the Recipient by a third party without any confidentiality obligation; or

c) is clearly demonstrable that same was lawfully known or independently developed by the Recipient prior to such disclosure.

Neither party shall use the Confidential Information of the other for any purpose other than to carry out the purpose of this MOU.

The Receiving Party shall construe nothing contained in this MOU as granting to a party a license, either express or implied, under any patent or copyright owned or obtained, or which

is or may be licensable.

Neither party shall make any press release or other public references or utterances of any kind regarding this MOU, the information received as part of this MOU or the contents of this agreement without prior written consent of the other party.

Each party upon written request from the other party shall return or destroy all drawings and other documents, including any copies or summaries thereof, or other tangible forms which embody any confidential information of the requesting party.

7. Notices:

All notices and communications concerning this MOU shall be sent to the respective addresses ofthe parties as below In the case of GARUDA AEROSPACE

Garuda Aerospace Private Limited, Agni Business Centre, 3rd Floor, 24/46, K. B. Dasan Road, Alwarpet, Chennai – 600 018. In the case of K. D. K. COLLEGE OF ENGINEERING ,K. D. K. COLLEGE OF ENGINEERING, NAGPUR,MAHARASHTRA.

8. Amendments:

Any amendments to this MOU shall be in writing and signed by both the parties.

9. Ownerships:

Intellectual property rights, titles or ownership of any products, proprietary information or technology will not be transferred from one company to another on account of use of the same as part of any work under this MOU and shall always remain with the original owner of the same.
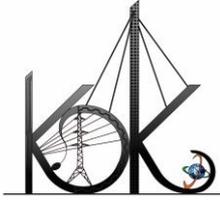

Page 8 of 11

10. Costs:

K. D. K. COLLEGE OF ENGINEERING & GARUDA AEROSPACE shall bear their respective costs arising out of the imparted Industry Interfaceprograms/certificate course under this MOU. Revenue generated out of this agreement viz. training, MRO operations and advisory services shall be shared between the parties as mutually agreed upon through a separate addendum to this agreement.

11. Detailed agreement:

The parties will enter into a detailed agreement for each module materialized under this MOU. The detailed agreement shall outline roles and responsibilities, liabilities to customers and define primary and secondary responsibilities for each business assignment to be executed. The detailed agreement shall not override the MOU, but define a commercial and contractual framework for work execution.

12. Commitments:

K. D. K. COLLEGE OF ENGINEERING/GARUDA AEROSPACE shall make commitments or bind K. D. K. COLLEGE OF ENGINEERING/GARUDA AEROSPACE in any manner with any customer only with prior written consent from K. D. K. COLLEGE OF ENGINEERING/GARUDA AEROSPACE.

This MOU does not create a joint venture, agency, partnership or other business arrangement, and any agreement between the parties as to business activities will be set forth in subsequent written agreements. Therefore this MOU cannot be used as a right to represent either party on behalf of the other, in any business promotion or sales activities, unless so authorized in writing.
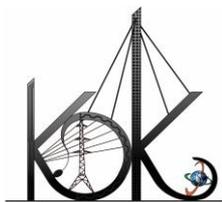

Page 9 of 11

13. Integration:

This MOU contains the entire understanding between the parties and supersedes any prior written or oral agreements between them.

14. Waiver

No failure or delay on the part of either party in the exercise of any right or privilege hereunder shall operate as a waiver thereof or of the exercise of any other right or privilege hereunder, nor shall any single or partial exercise of any such right or privilege preclude other or further exercise thereof of any other right of privilege.

15. Severability

If any provision of the MOU is held to be ineffective, unenforceable or illegal for any reason, such decision shall not affect the validity of any or all the remaining portions thereof.

16. Alternative Dispute Resolution

In the event of any dispute under this agreement, the same shall be amicably settled between the parties. if any dispute is not settled amicably, the same shall be referred to the sole arbitrator to be appointed by both the parties. The award given by the arbitrator shall be final and binding on both the parties. The language of arbitral proceedings shall be English. This arbitration shall be governed by the arbitration & conciliation act, 1996 and the place of arbitration shall be at Chennai.

17. Non-solicitation

During the terms of this MOU and for one year after its expiry or termination, neither party shall, without the prior written consent of the other party, canvass or solicit for direct or indirect employment of any employee (involved with work of this MOU) of each other or proceed with any application by or on behalf of that employee for direct or indirect employment. Neither party shall procure any third party to do any of the aforesaid acts.

2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - -**SS Infotech**- -.

2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
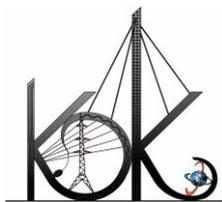

2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

There is no financial commitment on the part of the **Department of Electronics & Telecommunication (ETC) KDKCE Nagpur,** the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to

know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **SS Infotech**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Name of Industry**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations
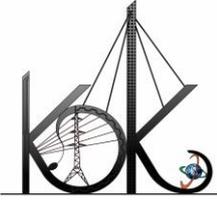

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party   Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration

shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Nagpur**.
