### **Annual e-Governance Report**

The college has implemented e-governance for better academic conduction and administration. The implementation of e-governance in all its domain is as per the policy document on e-governance. The Report is approved by College Development Committee (CDC) on dated 14.04.2023

#### **1. ADMINISTRATION:**

ERP software Synchronik is used in administration domain of the college.

#### **2. FINANCE & ACCOUNTS:**

The institution has been using **TALLY and Master Software** in Finance & Accounts domain for better management.

ERP software also used in Finance & Accounts in regard to the fee collection, Balance fee status and scholarship management.

SBI Collect is also used for collecting fee from the student.

#### **3. STUDENT ADMISSION & SUPPORT:**

ERP software Synchronik is used in admission & support for the students.

ERP, DelNet and Opac is used in the library management.

#### **4. EXAMINATION :**

ERP software is used in Internal Examination system.

Affiliating university- Rastrasant Tukdoji Maharaj University, Nagpur examination portal is used for university examination.

### **K D K College of Engineering**

#### **Policy Structure for E-Governance**

(Vide approval by CDC resolution no. 24 & 25 in a meeting dated 11.07.2020 and approval by BoG resolution no. 24 & 25 in a meeting dated 21.07.2020)

#### **Objective**

To implement the E-Governance in academic and administration domains of the institution

#### **Scope**

Scope of the said policy will be applicable in the following areas

- Planning and General Administration,
- Finance and Accounting Systems
- Fee Collection and Management System
- Salary Management System
- Students' Support, Admission, and Information System
- Examination System
- Library Management System
- Knowledge Resource Management (Website)
- Information & Communication Technology Management System
- Security & Campus Management System

#### **Policy parameters**

##### **1. Following areas are covered under the said policy**

The college shall acquire necessary systems and licensee software like Employees Resource Planning (SynchroNik), Tally, Master's Software, Microsoft Office, Library Information System, Learning Management System to implement E-Governance in its working domain to achieve effective academic and administrative governance.

##### **2. Planning and General Administration:**

ERP Software should be implemented in Planning and General Administration wherein the office Staff and Teaching Faculty record and store respective data like attendance, monthly reports, balance fee, generating bank challans, leave records, category students record, etc.

Administrative Office should use Microsoft Office Tools to maintain effective database.

The college shall ensure to provide a hassle free, convenient and smooth process, administration of the college through e-governance. On the other hand the stakeholders to get maximum service in through online facilitations.

*“Service to the Society through Quality Technical Education”*

## **KDK College of Engineering, Nagpur**

**(Accredited by NAAC & NBA)**

*Approved by AICTE, Recognized by UGC under Section 2(f) of the UGC Act, 1956*

*Affiliated to Rashtrasant Tukadoji Maharaj Nagpur University*

The college shall look into opportunities to automate some of its functions related to administration and staff shall be provided professional/administrative training for better productivity.

3. **Finance and Accounting Systems:** The office continues to maintain its account on Tally with latest version for keeping financial records. Profit and loss & Balance Sheet are generated through this software only. Resource generation and mobilization should be kept in record with Tally; and staff shall be provided professional/administrative training for better productivity. Necessary security measures should be taken keeping data safe and virus attacks. .
4. **Fee Collection and Management System:** The college has multiple Fee Collection System. A Public Financial Management System like SBI COLLECT should be implemented for fee collection in online mode. Besides that, the ERP must be used to print a Bank Challan.
5. **Salary Management System:** Salary Management System should be implemented to automatically calculate the salary, generate salary slips, and disperse the salary to the bank accounts. TDS, Provident Fund, Allowances, etc. all are managed by this system. Reports can be generated for all Staff members. Salaries are generally made and received through Bank Transfer.
6. **Students’ Support, Admission, and Information System:** The admission process should be followed strictly as per the guidelines of Directorate of Technical Education, Government of Maharashtra and RTM Nagpur University’s provisions. The College must print its brochure and displayed on the college website that has guidelines for the admission process. A separate admission cell under the leadership of Dean, Student Admission should look after the entire process. Other support and information system is effectively provided to the students by the administration through Dean, Students’ Affair.
7. **Examination System:** The College is affiliated to RTM Nagpur University, Nagpur and therefore, the e-governance policy of the university should be adopted to carry out examination work. ERP software is also used to make students see their internal assessment marks, attendance, etc. The Google-Suit and KAAMI extension must be used to conduct online examination, Quizzes and evaluation of the same should be returned to the students for their view.

*“Service to the Society through Quality Technical Education”*

## **KDK College of Engineering, Nagpur**

**(Accredited by NAAC & NBA)**

*Approved by AICTE, Recognized by UGC under Section 2(f) of the UGC Act, 1956*

*Affiliated to Rashtrasant Tukadoji Maharaj Nagpur University*

8. **Library Management System:** The College has well-maintained library equipped with DelNet, e-journals, e-books, periodicals and e-resources. Entire library process such as searching of books, book issue and return, accession nos., etc. is managed by Library Management Software.

Reports are generated through LMS, which helps update the stock.

9. **Website:** The College website acts as an information center. All the academic and administrative information is available to the stakeholders through respective website portal. College has an agreement with a separate service provider/web designer along with a Website Committee to be formed for the administration of the college website. The Committee will look after the process of updating, maintaining and working of the website on a regular basis. The Committee will also look for other changes that are required on the website. The College strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released.

**10. Information & Communication Tool Management System:**

The College ensures that it has adequate number of desktops and laptops for students and staff. Computers and printers should be made available in the administrative block/Departments. Projectors and other multimedia devices must be provided in the auditorium, classrooms, seminar halls and laboratories. The infrastructure shall be complemented by reprographic, computer networking devices, scanners and interactive teaching board/smart board etc. The College must maintain adequate configured servers to allow fast transmission of data to the various computers. Upgrade package for desktops and laptops like MS Office and Antivirus to be purchased and updated regularly.

**11. Security & Campus Management System:**

The college has installed CCTV cameras at important location in the campus for surveillance and safety. All the CCTVs are connected to the administrative authority's computer and can be accessed via Internet Protocol Address.
