Industrial Visit to NUBENO Healthcare Pvt. Ltd. Nagpur

Date: 22 August 2025

Activity Report

Objective – To provide students with industrial exposure to healthcare manufacturing and quality standards, and to create awareness about the role of the Bureau of Indian Standards (BIS) in ensuring product quality, safety, and compliance in the healthcare sector.

Description- Department of Information Technology, KDK College of Engineering, Nagpur organized an Industrial Exposure Visit in association with BIS to NUBENO Healthcare Pvt. Ltd., Plot No. 10A, MIHAN, Nagpur on 23/12/2025. The visit was organized for students to understand industrial processes, quality management systems, and regulatory standards followed in the healthcare industry.

During the visit, industry experts from NUBENO Healthcare Pvt. Ltd. explained the company profile, manufacturing processes, and the use of technology in healthcare solutions. BIS officials highlighted the importance of Indian Standards, certification processes, and compliance requirements for healthcare products. Students were introduced to quality control procedures, safety norms, and documentation practices followed in the organization.

The session also covered the importance of standardization in improving product reliability, consumer safety, and global competitiveness. Students interacted with professionals and gained practical insights into how academic knowledge is applied in real industrial environments.

Outcome –

At the end of this event students will be able to:

1. Understand Industrial Standards: Students gained knowledge about BIS standards and their application in the healthcare industry.
2. Exposure to Healthcare Industry Practices: Students learned about manufacturing processes, quality control, and regulatory compliance followed by healthcare organizations.
3. Practical Learning Experience: The visit bridged the gap between theoretical concepts and real-world industrial applications.
4. Career Awareness: Interaction with industry and BIS professionals helped students explore career opportunities in healthcare technology, quality assurance, and standards management.

Report

Department of Information Technology, KDK College of Engineering, Nagpur organized an Industrial Exposure Visit in association with the Bureau of Indian Standards (BIS) to NUBENO Healthcare Pvt. Ltd., Plot No. 10A, MIHAN, Nagpur on 23/12/2025. The visit was conducted for students to gain hands-on exposure to the healthcare industry and understand the importance of quality and standardization.

During the visit, representatives from NUBENO Healthcare Pvt. Ltd. provided detailed information about the organization, its products, and manufacturing workflow. BIS officials explained the role of BIS in framing standards, certification processes, and ensuring compliance with national quality benchmarks. Students were briefed on quality assurance practices, safety protocols, and documentation standards followed in the healthcare sector.

The interaction session allowed students to clarify their doubts and gain insights into real-world industrial challenges. Students actively participated and showed keen interest throughout the visit. The program was presided over by the Head of Department along with faculty members. The efforts of the coordinators were appreciated by the college administration for successfully organizing the industrial exposure visit.
