

K.D.K. College of Engineering, Nagpur
Session: 2017-18

AQAR 2016-17

As our institute (KDK College of Engineering, Nagpur) has undergone NAAC Accreditation process for the first time in 2017-18; no AQAR is available for the year 2016-17. Hence AQAR for the year 2016-17 is not uploaded.

So instead of AQAR of 2016-17; we have uploaded SSR of 1st Cycle of our College. Peer team visited on 5th and 6th October 2018 and we were awarded with grade B++ with effect from 2nd November 2018.

The Web link of SSR follows.
