Career Guidance and Counseling Cell

Career guidance and counseling cell of K.D.K. College of Engineering is set up keeping in view the vision of college “Service to the society through Quality Technical Education”. We at K.D.K.C.E., serve the society not only by imparting quality technical education but also by providing necessary guidance and counseling to the students from all walks of society to pursue their career as per the requirements of time. The main objective of the cell is to provide information about various career options available after XII, so that students can pursue their higher education to achieve their dream goal.

The cell also undertakes activities like creating awareness amongst the students about latest trends and opportunities in the field of engineering. It also arrange workshops and seminars to brief aspiring Engineer and other students in general about various documents required, scholarship and freeship schemes of Government and other details in various colleges and schools in nearby and rural area outside the Nagpur.

This cell also keeps the students updated with latest developments through SMS service. The cell also provides the study material to the needy & poor students to prepare for various entrance examinations like MHT-CET, JEE, NEET etc.

It also provides financial assistance to the schools and colleges by sponsoring the events/activities which prepare the students for various competitive exams and sport activities.

Dr. A. P. Fartode, co-ordinator career guidance and counseling cell and his team is engaged throughout the year to cater to the need of students and society.
