

NATIONAL LEVEL

INNOVATIVE CIVIL ENGINEERING MODEL COMPETITION (ICEMC-19)

23rd February 2019

**Venue: K. D. K. College of Engineering,
Great Nag Road, Nandanvan, Nagpur-09**

Organised By
**Department of Civil Engineering,
K. D. K. College of Engineering, Nagpur
&
Indian Concrete Institute (NC)**

About K.D.K.C.E:

The Karmavir Dadasaheb Kannamwar College of Engineering, situated in the heart of India in Nagpur city, established in 1984 by Backward Class Youth Relief Committee (BCYRC) is one of the leading engineering colleges in Maharashtra state. Government of Maharashtra has conferred 'A' Grade on the basis of excellence & adequate infrastructure as well as academic achievements of students and faculty. It is approved by AICTE New Delhi, DTE, Government of Maharashtra. The college successfully continues to attract attention of scholars from all over the subcontinent

About Indian Concrete Institute:

Indian Concrete Institute is one of the leading professional bodies in India, catering to the professional needs of individuals and Organisations involved in Concrete. It is a non-profit Organisation, dedicated to the cause of Disseminating Knowledge on Concrete, to Promote Concrete Technology and Construction and to address the Research Needs of Concrete.

About the Competition:

The innovation should cater to the needs of the society, which encompasses modern & advanced technologies. This Platform provides opportunity for the budding and aspiring technocrats with the ambition of excelling career.

Aim: Innovative Civil Engineering Model / Poster Competition

Objectives:

- To have opportunity to present their innovative ideas and receive feedback from renowned industry experts.
- To introduce and demonstrate the latest technological development in the field of Infrastructure, sustainability, Green building, etc
- To connect the student with industries enhancing technical development

Theme:

Model or Poster covering any of these categories of Civil Engineering can be exhibited

- Concrete Technology and Building Materials
- High Rise Structure
- Transportation Engineering
- Sustainable Architecture
- Structural Engineering
- Any innovation in the field of Civil Engineering and Technology are invited.

General Instruction and Registration Process:

Entry Fee?

- Free

Who Can Participate?

- All undergraduate and Post graduate Civil Engineering Students

What is Registration Process?

- A group of Maximum Three Students can participate in model competition
- A detail of each participant is compulsory.
- Participant can exhibit more than one model
- Fill the registration form. Further information will be sent to all the registered participants.

Who reviews the Model?

Our review committee comprises of Professors and Renowned Consultants of Nagpur region.

All participating students will get certificate of participation from Indian Concrete Institute (NC)

Certificate of Appreciation will be awarded to a group of top FIVE performers from Indian Concrete Institute (NC)

Important Dates:

Online Registration by Email (*Scan Copy of Registration Form*) : Up to 19 February 2019
Submission of details of Model by Email : Up to 21 February 2019
Date of Competition : 23 February 2019

All Communication should be sent to:

<p>Prof. D. B. Awachat</p> <p>Assistant Professor, Department of Civil Engineering, KDKCE, Nagpur +91 9595559279 Email Id. - dbawachat@gmail.com</p>	<p>Sumedh Deshmukh</p> <p>President, ICI Student Chapter of KDKCE, NAgpur +91 7744894245 Email Id. - sumedhsep16@gmail.com</p>
