Department of Electrical Engineering

UMANG

A Monthly newsletter of Department of Electrical Engineering

April 2019

Volume 2

Issue 9

CHIEF PATRONS

Hon. Smt. Sumanmala .B. Mulak
(Chairperson B.C.Y.R.C., Nagpur)

Hon. Shri. Rajendra B. Mulak
(Hon. Secretary, B.C.Y.R.C., Nagpur)

Hon. Smt. Perna Mulak
(Managing Director, B.C.Y.R.C., Nagpur)

Hon. Shri. Yashraj R. Mulak
(Treasurer, B.C.Y.R.C., Nagpur)

ADVISORY COMMITTEE

Dr. D. P. Singh
(Principal, K.D.K.C.E., Nagpur)

Dr. A. M. Badar
(Vice Principal, K.D.K.C.E., Nagpur)

Dr. Shubhangi S. Ambekar
(HOD, Electrical Engineering K.D.K.C.E., Nagpur)

Prof. C. J. Sharma
(Faculty In-Charge, EESA, K.D.K.C.E., Nagpur)

EDITORS

Prof. Vedanti B. Hardas
(Faculty Incharge K.D.K.C.E., Nagpur)

Prof. K.M. Dhenge
(Faculty Co-Incharge K.D.K.C.E., Nagpur)

STUDENT COMMITTEE
Prachi Somkuwar
(Chief Editor)

Snehit Punwatkar
(Joint Editor)

Himanshu Raulkar
(Editor, English Section)

Shraddha Singh
(Editor, Hindi Section)

Nikita Katkar
(Editor, Marathi Section)

Vision

To impart quality technical education for developing competent electrical engineers capable of accepting challenges of the modern society.

Mission

M1 To provide an adoptive academic environment with a continuous motivation to budding electrical engineers for making them academically excellent and technically competent having good managerial skills to fulfill the expectations of industries for developing sustainable solutions.

M2 To work for all round growth of students having good moral values in a dedicated manner.

M3 To inculcate a sense of responsibility among the students for well being of the society.

Program Educational Objectives (PEOs)

1. Graduates of Electrical Engineering shall have sound technical knowledge and all round personalities ready to pursue high level career in industries and academics
2. Graduates of Electrical Engineering shall have broad based trainings to cater to the requirements of modern electrical industries and ready for working as electrical consultants.
3. Graduates of Electrical Engineering shall have sensitivity towards global environmental issues and sustainable developments through use of renewable energy sources.

Program Specific Outcomes (PSOs)

The Department of Electrical Engineering will prepare the students to have:-

- Technical and managerial skills necessary to enter careers in design, application, installation, manufacturing, testing, operation and/or maintenance of electrical systems.
- Knowledge of information technology skills including word processing, spread sheet, power point presentation, electrical system simulation, computer programming, internet/library research and electrical CAD drawing encouraging and increasing one's abilities for lifelong learning.

Power Of Positive Thinking

Believe In Yourself!

Have faith in your abilities!

Without a humble but reasonable confidence in your own powers you cannot be successful or happy. But with sound self-confidence you can succeed. A sense of inferiority and inadequacy interferes with the attainment of your hopes, but self-confidence leads to self-realization and successful achievement. Because of the importance of this mental attitude, Set aside a few minutes every day.

Do not say anything. Simply practice thinking about God. This will make your mind spiritually receptive. Never use a negative thought in prayer. Only positive thoughts get results. Always express willingness to accept God's will. Ask for what you want, but be willing to take what God gives you. It may be better than what you ask for.

Positive thoughts can actually create real value in your life and help you build skills that last much longer than a smile. The impact of positive thinking on your work, your health, and your life Positive thinking is an optimistic state of mind, which sees the bright side of life. A positive frame of mind brings more harmony and happiness, improves relationships, and attracts success into your life.

Positive thinking is a mental and emotional attitude that focuses on the bright side of life and expects positive results. A positive person anticipates happiness, health and success...

A positive attitude brings optimism into your life, and makes it easier to avoid worries and negative thoughts. Adopting a positive attitude as a way of life will help you cope more easily...

Positive people don't wait for life to turn out the way you want, before they can start enjoying it. They don't worry about problems and obstacles, but set out to find ways to solve them...

A person with a positive attitude is willing to experiment, take action and do things. He or she do not accept things as they are, and expend efforts to follow goals...

Your thoughts and feelings create your attitude, and the sort and frequency of the mental and emotional vibrations that you transmit from your mind, and which create the atmosphere around you...

Changing your mindset from negative to positive, building new habits, and bringing inspiration into your life can be quite simple. This of course, requires some work on your part...

Sonal Paunikar
3rd sem, EE

News for the month

Guest lecture on by Vaidyanathan Ramanan, Founder CEO of Ladder Consultancy Service Pvt. Ltd. on Topic Learning for Deeper Purpose.

Guest lecture by Avinash Naidu from Career launcher on topic What After Engineering for 2nd year students

Interaction of Japanese delegate with faculty in High Voltage Engineering lab KDKCE

Motivational Quotes

- **“One individual may die for an idea, but that idea will, after his death, incarnate itself in a thousand lives.”**
— **Subhash Chandra Bose**

- **“The small wisdom is like water in a glass: clear, transparent, pure. The great wisdom is like the water in the sea: dark, mysterious, impenetrable,”**
— **Rabindranath Tagore**
