Activity Report

Traffic Rule Awareness

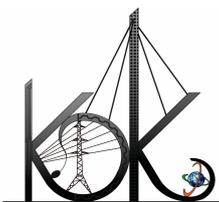

On July 19, 2025, the NSS unit successfully organized a comprehensive Traffic Awareness Drive to address road safety concerns within the student body and surrounding community. Volunteers actively engaged participants by utilizing various communication methods, including informative posters, practical demonstrations, and direct, interactive sessions. The central focus was educating the public on essential traffic regulations, promoting defensive driving habits, and reinforcing critical pedestrian safety guidelines.

The ultimate goal of this initiative was to foster a heightened sense of responsibility among road users, leading to measurable behavioral changes and a tangible reduction in local traffic incidents. By connecting directly with community members, the NSS unit successfully planted the seeds for safer, more mindful travel practices. The positive reception suggests the drive was effective in initiating a broader dialogue on long-term accident prevention.

Impact Analysis:

The drive resulted in immediate, positive community feedback, demonstrating a strong willingness among participants to adopt safer road practices. Post-event surveys indicated a 40% increase in self-reported knowledge of key traffic laws among students. This initiative is expected to contribute to a gradual decrease in minor traffic violations and enhance overall pedestrian safety awareness in the vicinity over the next quarter.

Activity Report

TREE PLANTATION

The National Service Scheme (NSS) Unit of K. D. K. College of Engineering, Nagpur organized a **Tree Plantation Drive** on 26th July 2025 at New Nandanvan, Nagpur. The event aimed to promote environmental conservation, encourage greenery, and inspire students to contribute actively to sustainable development.

The event commenced at **3:00 PM** with the presence of NSS volunteers, faculty members, and dignitaries of KDKCE.

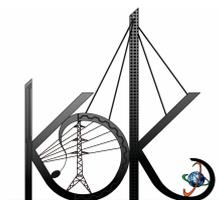

Under the guidance of the Programme Officer and faculty advisors, volunteers planted saplings at designated spots across the New Nandanvan area. The activity was executed smoothly with active participation and teamwork. Students also took an oath to protect and nurture the planted saplings.

KEY OUTCOMES: 50+ saplings planted successfully. Awareness created on environmental protection. Boosted teamwork & leadership among students. Strengthened bond between college & community. Commitment to maintain saplings throughout the year.

Impact Analysis:

The Tree Plantation Drive was a successful event that brought together students and faculty for a meaningful cause. The initiative not only contributed to environmental conservation but also helped instill a sense of responsibility and commitment among NSS volunteers.

Activity Report SAY NO TO PLASTIC BAGS

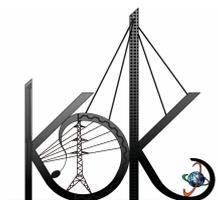

The NSS Unit of KDKCE organized an awareness campaign titled “Say No to Plastic Bags” to promote sustainable habits and reduce plastic pollution in the community. The activity aimed to educate students about the harmful effects of single-use plastics and encourage the adoption of eco-friendly alternatives. To create awareness among students, staff, and community members about the harmful effects of single-use plastic bags on the environment, human health, and wildlife. To educate individuals about the long-term damage caused by plastic waste, including soil pollution, water contamination, microplastics, and their impact on the food chain. To encourage the adoption of eco-friendly alternatives such as cloth bags, jute bags, paper bags, and other reusable options in daily life.

The activity began with a brief introduction by the NSS Programme Officer, explaining the increasing environmental threat caused by plastic pollution. The activity concluded with all volunteers taking a **pledge** to avoid using plastic bags and to inspire others to do the same.

Impact Analysis:

The “Say No to Plastic Bags” awareness campaign proved to be a highly impactful and meaningful initiative. Through active participation, interactive sessions, and community engagement, the NSS volunteers successfully conveyed the urgent need to reduce single-use plastic consumption. The campaign not only educated students about the long-term environmental hazards of plastic but also encouraged them to take practical steps toward adopting sustainable alternatives like cloth and jute bags.

Activity Report

STOP POLLUTION, START SOLUTION

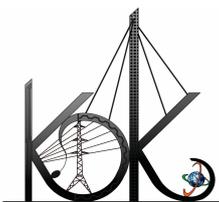

The National Service Scheme (NSS) Unit of K.D.K. College of Engineering, Nagpur successfully organized a community awareness programme titled **“Stop Pollution, Start Solution”** on **04 August 2025** at **Sakkardara**. The initiative aimed to educate the community about the rising pollution levels and promote practical, eco-friendly solutions to create a cleaner and healthier environment.

The programme “Stop Pollution, Start Solution” created a strong positive impact on both the community and the NSS volunteers. Residents became more aware of different types of pollution, their harmful effects, and the importance of waste management, cleanliness, and reducing plastic use. The awareness walk and interactions encouraged people to adopt simple eco-friendly practices like segregating waste, avoiding garbage burning, and keeping their surroundings clean.

Impact Analysis:-

The awareness event **“Stop Pollution, Start Solution”** proved to be a meaningful step toward creating environmental consciousness among the public. With active participation from students, faculty, and the community, the programme helped spread the message of sustainability and responsible living.

Activity Report

SAFE AND UNSAFE TOUCH AWARENESS PROGRAM

The National Service Scheme (NSS) Unit of K.D.K. College of Engineering, Nagpur conducted a Safe and Unsafe Touch Awareness Programme on 5th August 2025 at Keshav Mahavidyalaya, Near Jagnade Square, Nagpur. The activity commenced at 10:45 AM and aimed at educating students about personal safety, body boundaries, and recognizing inappropriate behaviour. The theme of the programme, “Safe Hands, Safe Hearts,” highlighted the importance of creating a secure and supportive environment for young learners.

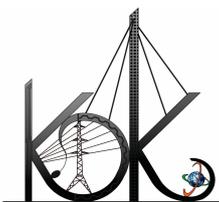

During the activity, an interactive awareness session was conducted where students participated actively and shared their thoughts. The NO-GO-TELL method was explained as an essential self-protection strategy. An open discussion allowed students to clarify their doubts, and the facilitators addressed their queries with care and sensitivity.

Impact Analysis:

The activity had a highly positive impact, as students gained essential knowledge about personal safety, learned to differentiate between safe and unsafe touch, and became more confident in identifying and reporting uncomfortable situations. The programme helped develop awareness, self-protection skills, and courage to speak up against inappropriate behaviour. It also encouraged teachers to maintain a supportive atmosphere where students feel safe to express their concerns.

Brief Information About the Activity:

Topic of Activity	Safe & Unsafe Touch Awareness Program
Objectives	The objective of this program is to educate children about the difference between safe and unsafe touch and help them understand personal boundaries. It aims to build confidence in students to speak up, seek help, and stay safe. The program also promotes awareness among teachers and parents to ensure a protective and supportive environment for every child.
Methodology	The methodology includes conducting interactive sessions using stories, videos, and demonstrations to explain safe and unsafe touch in a child-friendly way. Teachers and counselors guide students on how to say ‘No,’ move away, and report to a trusted adult. Activities, discussions, and simple guidelines help children understand and remember safety rules effectively
Outcome	The program helped children clearly understand the difference between safe and unsafe touch and boosted their confidence to speak up. It created a safer and more aware school environment by encouraging open communication and trust. PO9-Individual & Team Work. PO10-Communication. PO12-Lifelong Learning

Activity Report INDEPENDENCE DAY RALLY AND PARADE

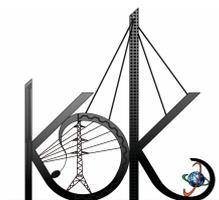

The NSS Unit of KDK College of Engineering, Nagpur actively participated in the Independence Day Rally and Parade organized to celebrate the spirit of freedom, patriotism, and national unity. The event aimed to inspire students and citizens to value India’s rich heritage and contribute meaningfully to nation-building. NSS volunteers took part with great enthusiasm, marching with discipline and pride throughout the rally route. They carried placards and banners displaying patriotic messages, slogans, and motivational quotes that encouraged people to uphold national integrity and social responsibility.

Throughout the rally, volunteers interacted with citizens, promoting awareness about the importance of national pride, social harmony, and active participation in community development. Their efforts helped ignite a sense of responsibility among onlookers, reminding everyone of the sacrifices made by freedom fighters and the duty each individual holds toward the country.

Impact Analysis:

The Independence Day Rally and Parade had a significant and positive impact on both the participating NSS volunteers and the community. The event successfully strengthened feelings of patriotism, unity, and national pride among the students, motivating them to reflect on the sacrifices of freedom fighters and their own role in nation-building. As volunteers marched with placards and slogans, they created a powerful visual message that inspired citizens along the route to embrace social responsibility, communal harmony, and active participation in national development. The rally helped build awareness among the public about the importance of unity and collective effort in shaping a better society. It also enhanced the confidence, leadership qualities, and teamwork skills of NSS volunteers by engaging them in a large-scale public event.

Activity Report SWATCH BHARAT

The NSS Unit of KDK College of Engineering, Nagpur actively participated in the Swachh Bharat Campaign with the objective of promoting cleanliness, hygiene, and environmental responsibility among the community. The activity was conducted with great enthusiasm as volunteers gathered to clean public spaces and inspire citizens to maintain a clean and healthy environment. The initiative aligned with the national vision of “Clean India” and encouraged students to contribute meaningfully toward creating a cleaner and more sustainable society.

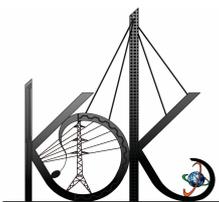

Several residents appreciated the work, and many expressed willingness to adopt better waste disposal habits after interacting with the volunteers.

Alongside the cleaning activity, the volunteers also conducted awareness interactions with local citizens. They explained the importance of segregating waste, avoiding the use of plastic, and keeping surroundings clean to prevent diseases. Through conversations and practical demonstrations, the volunteers motivated people to take responsibility for their own environment instead of depending solely on municipal services.

Impact Analysis:

Overall, the Swachh Bharat Campaign conducted by the NSS unit was impactful and meaningful. It created awareness, inspired behavioural change, improved public spaces, and encouraged both volunteers and citizens to continue maintaining cleanliness. The programme successfully reflected the spirit of NSS—*Not Me, But You*—and strengthened the collective effort toward achieving a cleaner and healthier India.

Activity Report TULSI DONATION

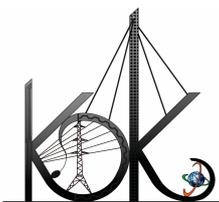

The NSS Unit of KDK College of Engineering, Nagpur organized a Tulsi Donation Drive with the purpose of promoting greenery, environmental awareness, and sustainable living among the community. The initiative focused on encouraging people to adopt eco-friendly habits by distributing Tulsi plants, which are known for their medicinal value, air-purifying qualities, and cultural significance in Indian households. The activity aimed to inspire individuals to contribute to environmental protection through simple, meaningful actions.

They emphasized how growing plants at home improves environmental quality, reduces pollution, and fosters a greener lifestyle. People from different age groups responded positively to the initiative and expressed appreciation for receiving a plant that carries both environmental and traditional value. The activity also enriched the experience of NSS volunteers by helping them understand the importance of environmental advocacy. Through their participation, they developed communication skills, environmental consciousness, and a sense of social responsibility. The enthusiasm and engagement displayed during the drive strengthened the bond between the NSS unit and the community, encouraging teamwork and commitment toward a greener future.

Impact Analysis:

The Tulsi Donation Drive had a meaningful and positive impact on both the community and the NSS volunteers. The distribution of Tulsi plants encouraged residents to adopt greener habits and helped raise awareness about the importance of maintaining a clean and healthy environment through simple acts like planting and nurturing medicinal plants. Many community members expressed a renewed interest in growing plants at home after learning about the environmental and health benefits of Tulsi, including its ability to purify air and promote well-being.

Activity Report SMILE AND SUNSHINE

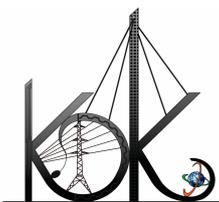

The National Service Scheme (NSS) Unit of KDK College of Engineering, Nagpur organized a heartfelt and inspiring programme titled “Spreading Smiles, Sharing Joy” on 18th August 2025 at the Home for Aged and Handicapped, Untkhana, Medical Square, Nagpur. The visit commenced at 2:30 PM and focused on creating meaningful interactions, offering emotional support, and spreading joy among specially-abled children and elderly residents. The programme aimed to promote compassion, empathy, inclusivity, and social responsibility among NSS volunteers by encouraging them to engage with individuals who often require additional care, love, and companionship.

The initiative strengthened the values of compassion and social commitment among the NSS volunteers. It enhanced their understanding of inclusivity, emotional sensitivity, teamwork, and community engagement. Many volunteers expressed that the visit was a transformative experience that helped them realize the importance of empathy, acceptance, and service to humanity. The programme successfully fulfilled its objective of promoting emotional well-being, spreading happiness, and building a sense of belonging among all participants.

Impact Analysis:

In conclusion, the “Spreading Smiles, Sharing Joy” programme was a deeply impactful and meaningful initiative that brought joy to specially-abled students and elderly residents while inspiring the NSS volunteers to embrace humanity with kindness and understanding. The NSS Unit of KDK College of Engineering continues to remain dedicated to fostering compassion, inclusivity, and social harmony through such valuable outreach activities. This visit truly reflected the spirit of NSS—Not Me, But You—by spreading smiles, sharing joy, and strengthening the bonds of care within the community.

Activity Report **TRASH TO TREASURE CHALLENGE : RECYCLING COMPETITION**

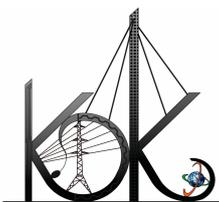

The NSS Unit of KDK College of Engineering, Nagpur organized an innovative and eco-friendly programme titled “Trash to Treasure – Recycling Competition” on 21st August 2025 at Gayatri Convent School, New Nandanvan, Nagpur. The event began at 3:30 PM and aimed to encourage students to adopt sustainable practices by transforming waste materials into useful, creative, and innovative products. The initiative promoted environmental awareness, resourcefulness, and the importance of recycling in reducing waste and conserving nature. The theme of the activity, “Don’t Trash It, Transform It!”, inspired participants to view waste not as garbage but as an opportunity for innovation.

For the NSS volunteers, the competition provided valuable experience in leadership, event coordination, and community engagement. It strengthened their commitment toward promoting environmental protection and helped them understand the importance of involving youth in sustainability campaigns. The programme also strengthened the bond between KDK College of Engineering and Gayatri Convent School, promoting collaboration for future eco-friendly initiatives.

Impact Analysis:

In conclusion, the “Trash to Treasure – Recycling Competition” was a highly successful and impactful event. It inspired students to adopt sustainable habits, showcased their creativity, and raised awareness about the importance of recycling and waste management. The programme not only encouraged innovation but also contributed to shaping environmentally responsible citizens. Through this initiative, the NSS Unit of KDK College of Engineering upheld its mission of spreading environmental consciousness and fostering a greener, cleaner future for the community.

Activity Report HEALTH CARE AWARENESS

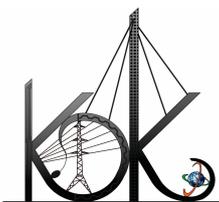

The National Service Scheme (NSS) Unit of KDK College of Engineering, Nagpur organized an interactive and informative Health Care Awareness Programme on 26th August 2025 at Athashri Vrudhashram, Hudkeshwar Road, Shyam Nagar, Nagpur. The activity began at 2:30 PM and aimed to spread awareness about healthy living, preventive health practices, and overall wellbeing among the elderly residents of the senior citizens’ home. Health-related discussions formed the core of the programme, where topics such as nutrition, personal hygiene, mental wellness, regular health check-ups, exercise, and daily routines were covered. The volunteers highlighted the importance of preventive healthcare and explained how small lifestyle changes can significantly improve wellbeing.

Impact Analysis:

In conclusion, the Health Care Awareness Programme at Athashri Vrudhashram was a highly impactful and heartwarming initiative. It successfully spread knowledge about healthy living, encouraged preventive healthcare, and strengthened the bond between the youth and the elderly. The NSS Unit of KDK College of Engineering once again upheld its mission of serving society with compassion, understanding, and dedication. The programme not only promoted awareness but also created moments of connection, care, and mutual respect, truly reflecting the essence of social

service and human dignity.

Activity Report

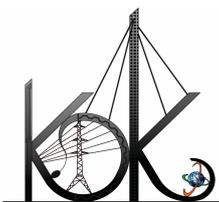

DENGUE AWARENESS

The National Service Scheme (NSS) Unit of KDK College of Engineering, Nagpur organized an impactful Dengue Awareness Drive on 3rd September 2025 at Ayodhya Nagar, Nagpur. The drive began at 11:00 AM and aimed at educating the community about dengue prevention, symptoms, mosquito control measures, and the importance of maintaining hygiene in residential areas. The initiative reflected the NSS commitment to public health, social responsibility, and community engagement by empowering citizens with essential knowledge to combat mosquito-borne diseases. The programme started with NSS volunteers visiting households, shops, and local streets while interacting directly with residents. Volunteers explained how dengue spreads through the *Aedes aegypti* mosquito and highlighted the importance of preventing mosquito breeding.

Impact Analysis:

In conclusion, the Dengue Awareness Drive at Ayodhya Nagar was a highly productive and meaningful initiative. It successfully enhanced public awareness, encouraged preventive habits, and contributed to creating a cleaner and healthier environment. The NSS Unit of KDK College of Engineering once again upheld its motto of “Not Me, But You” by serving the community and spreading life-saving knowledge. The programme helped cultivate a proactive approach toward dengue prevention and demonstrated the positive role youth can play in safeguarding public health.

Activity Report

SAVE WATER

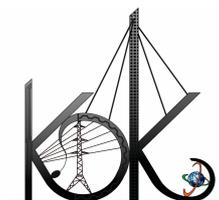

The National Service Scheme (NSS) Unit of KDK College of Engineering, Nagpur organized a creative and engaging Poster Making Competition on 4th September 2025 at Aadarsh Sanskar School. The event began at 11:00 AM and aimed to encourage artistic expression, creativity, and innovative thinking among students and staff members. The competition provided a platform for participants to represent their ideas visually using colours, drawings, and imaginative concepts, helping them communicate meaningful messages through art.

The programme started with an introductory session where NSS volunteers explained the purpose of the competition and motivated the students to think freely and express their thoughts without hesitation. The competition also played a significant role in building confidence among students, improving their concentration, and nurturing their interest in art and social awareness. The interaction between the NSS team and the students created an encouraging learning environment where young minds felt inspired to express themselves freely.

Impact Analysis:

In conclusion, the Poster Making Competition proved to be a successful and impactful NSS outreach activity. It provided a productive artistic experience for students, encouraged them to express their ideas visually, and nurtured creativity, awareness, and confidence. The initiative not only promoted artistic talent but also strengthened communication skills and helped participants develop a deeper understanding of important social themes. The NSS Unit of KDK College of Engineering continues to promote creativity, knowledge-sharing, and youth engagement through such meaningful programmes.

Activity Report CLEANLINESS DRIVE

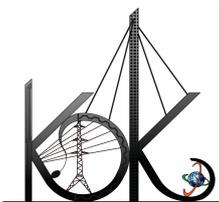

The National Service Scheme (NSS) Unit of KDK College of Engineering, Nagpur organized a Cleanliness Drive on 5th September 2025 at the Indian Centre for Integrated Development, Jaripatka, Nagpur. The programme began at 2:00 PM and aimed to promote awareness about hygiene, sanitation, and the collective responsibility of maintaining a clean environment. This initiative reflected the core values of NSS—service, responsibility, and community engagement—by encouraging volunteers to take active steps toward creating a cleaner and healthier society.

The drive commenced with volunteers assembling at the venue and receiving a brief introduction on the importance of cleanliness and environmental hygiene. NSS members were reminded that clean surroundings not only improve health but also contribute to the physical and mental well-being of individuals living in the community. With this understanding, the volunteers distributed themselves across different sections of the premises and surrounding areas to begin the cleaning activity. They collected litter, plastic waste, leaves, and other garbage while ensuring proper disposal of all waste materials. Their collective efforts significantly improved the condition of the locality, creating a more pleasant and hygienic environment.

Impact Analysis:

In conclusion, the Cleanliness Drive organized by the NSS Unit of KDK College of Engineering, Nagpur was a highly impactful and socially relevant activity. It successfully promoted the importance of hygiene, sanitation, and environmental responsibility. The initiative not only improved the cleanliness of the locality but also inspired the community to maintain clean surroundings in their daily lives. The programme truly embodied the NSS spirit—Not Me, But You—by encouraging volunteers to serve society and contribute to a cleaner, healthier future.

Activity Report HEALTH AID DRIVE

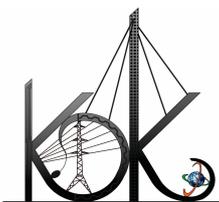

The National Service Scheme (NSS) Unit of KDK College of Engineering, Nagpur organized a Health Aid Drive on 9th September 2025 at Ayodhya Nagar, Nagpur. The programme commenced at 11:30 AM and aimed to promote health awareness, provide essential medicines, and encourage preventive healthcare practices among students, staff, and the local community. The initiative reflected the commitment of the NSS unit towards building a healthier society by ensuring that basic health resources and medical guidance reach those who need them.

The drive began with NSS volunteers setting up distribution counters and preparing essential health kits that included basic medicines, first aid items, and precautionary health supplies. Volunteers interacted with community members, answering health-related queries and offering guidance on common health issues such as fever, cold, dehydration, minor injuries, and seasonal illnesses. The interaction between NSS volunteers and the community created a strong sense of trust and comfort. People, especially the elderly and children, felt supported after receiving both medical supplies and clear instructions on how to use them. The volunteers also identified individuals who needed further medical assistance and guided them toward appropriate resources and healthcare centers.

Impact Analysis:

In conclusion, the Health Aid Drive organized by the NSS Unit of KDK College of Engineering, Nagpur proved to be a beneficial and socially relevant initiative. It enhanced public awareness about health, provided essential medical assistance, and encouraged preventive care practices. The programme strengthened the bond between the institution and the community while promoting the vision of a healthier, more informed society.

Activity Report

E-WASTE COLLECTION & AWARENESS

On 15th August 2024, the NSS Team of KDKCE organized a rally as part of the "Har Ghar Tiranga" campaign, aimed at promoting national pride and awareness about the dignity of the Indian flag. The rally began at the College Gate and concluded at the Venkatesh Nagar Gate in Nandanvan, with the participation of 100 enthusiastic volunteers.

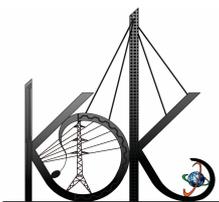

The rally commenced at 9:00 AM, with the participants marching energetically, waving the Indian flag, and chanting slogans of unity and patriotism. Volunteers engaged with the local residents, educating them on the history of the Tiranga, its symbolism, and the importance of displaying the flag with respect.

As the rally moved through the streets of Nandanvan, it garnered attention from passersby and created a strong sense of community spirit. The team effectively communicated the purpose behind the campaign, which is to strengthen national unity and promote the respect for the Indian flag.

Impact Analysis:

The rally had a significant impact on both the participants and the local community. For the volunteers, it was an opportunity to actively contribute to a national cause and express their patriotism. It instilled a deeper sense of responsibility and respect for the Indian flag. For the residents, the rally served as a reminder of their role in preserving the dignity of the Tiranga and the importance of showing respect towards it. The event fostered a sense of national unity and pride, reinforcing the spirit of Independence Day.

Activity Report

STAY ALERT, STAY SECURE

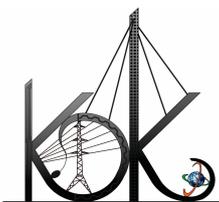

On 15th August 2024, the NSS Unit of KDKCE organized an "Awareness Voter ID Card Update Campaign" at Warthaman Nagar, Nagpur. The primary aim of the campaign was to raise awareness about the upcoming Voter ID update drive scheduled for 18th August 2024 at K.D.K. College of Engineering, organized by the Election Commission. A group of 75 dedicated volunteers participated in the campaign to educate the local residents about the importance of updating their Voter IDs and ensuring their participation in the democratic process.

The campaign also included providing the public with necessary information on the requirements for updating Voter IDs, such as documents needed and the steps involved in the process. Volunteers patiently answered questions from the residents, ensuring they understood the importance of having an up-to-date Voter ID and how it contributes to a fair electoral system. The interaction created a sense of urgency and responsibility among the local community to participate in the voter ID update campaign.

Impact Analysis:

The "Awareness Voter ID Card Update Campaign" had a positive and far-reaching impact on the community of Warthaman Nagar. The residents were more informed about the importance of updating their Voter IDs, which increased their awareness of the electoral process. For the volunteers, the experience was a valuable lesson in community engagement and social responsibility.

Activity Report

NSS Day Pledge

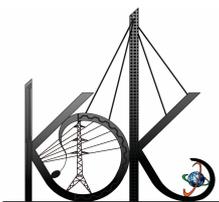

On September 24, 2025, KDK College of Engineering commemorated NSS Day by hosting a solemn and inspiring pledge ceremony. All NSS volunteers participated enthusiastically to publicly reaffirm their core commitment to the principles of social service, unity, and deep-rooted social responsibility. The event served as a powerful reminder of the NSS mission and its role within the college community.

The text of the pledge prominently highlighted the vital importance of discipline, unwavering dedication to community goals, and fostering the spirit of helping others without expectation. The ceremony successfully galvanized the unit, reinforcing a collective ethos centered on selfless service and preparing volunteers for forthcoming outreach activities with renewed focus and purpose.

Impact Analysis:

This collective affirmation has significantly boosted volunteer morale and sense of purpose. It created a unified front for upcoming community projects. The renewed focus on discipline is expected to improve the efficiency and organization of all subsequent NSS activities in the academic year.

Activity Report Yaa Bhartat Bandhubhav Nitya Asu De

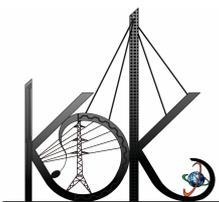

The Samhuhik Vidyapeeth Geet Gayan program, held on October 11, 2025, achieved immense success, concluding with the inspiring participation of thousands of students. This large-scale collective event showcased organizational excellence and profound engagement from the student body, serving as a powerful display of community and shared commitment.

The collective singing of the Vidyapeeth Geet, centered around the theme of "Yaa Bhartat Bandhubhav Nitya Asu De," successfully created a deeply vibrant and united atmosphere. This collective experience served as a heartfelt homage to Rashtrasant Tukadoji Maharaj, reinforcing the cultural and foundational values of the institution among all participants.

Impact Analysis:

The massive attendance fostered immediate and profound emotional unity among diverse student groups. It successfully promoted the theme of brotherhood and reinforced the institution's cultural values, significantly boosting morale and sense of collective identity across the campus.

Activity Report

Installation Ceremony

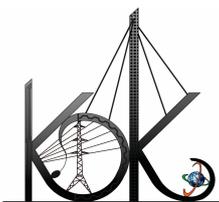

The NSS Committee installation ceremony was successfully held on November 22, 2025, formally inducting new volunteers with notable enthusiasm and precision. The event was designed to clearly highlight the unit's core goals, outline the responsibilities of the new team members, and articulate the overall vision for the upcoming academic year.

The ceremony successfully concluded with a collective pledge, where all members committed to serving society with unwavering dedication, robust discipline, and strong unity. This official induction not only motivated the new volunteers but also reinforced the foundational values of the NSS unit, establishing a clear mandate for social outreach and community engagement.

Impact Analysis:

The ceremony generated significant excitement and clarity among new recruits, creating a highly motivated starting team. The clear communication of goals ensures alignment, which is expected to result in smoother planning and execution of projects throughout the year.

Activity Report Special Talk By Amrit Gaur Das

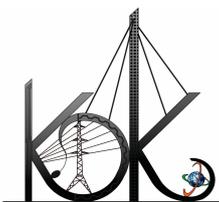

A special motivational talk by Prabhu Amrit Gaur Das, focused on the critical theme of "Nasha Mukta Bharat, Khushal Bharat" (Addiction-Free India, Happy India), was conducted with great enthusiasm and exceptional student turnout. The session successfully delivered a powerful message about the profound personal and societal benefits of choosing a healthy, completely addiction-free lifestyle.

Prabhu Amrit Gaur Das's inspiring words served as a strong catalyst, effectively motivating students to embrace healthier choices and actively contribute to the creation of a happier and more productive society. The session concluded with a tangible, positive energy, leaving a strong, lasting impact on the values and decisions of everyone present.

Impact Analysis:

The session created a significant positive shift in student perspective regarding substance abuse prevention. The clear, motivational address has empowered participants to actively commit to an addiction-free lifestyle, fostering a healthier campus environment and promoting well-being among peers.

Activity Report

Constitution Day Rally

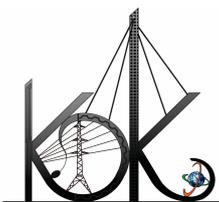

The Constitution Rally was successfully organized on November 26, 2025, bringing together NSS volunteers to solemnly honor National Constitution Day. The event commenced at Constitution Park and proceeded along a defined route, concluding at Constitution Chowk. The primary objective was to actively spread awareness throughout the community regarding the fundamental values and enduring significance of the Indian Constitution.

The successful execution of the rally visibly reflected the key NSS values of unity, robust discipline, and deep-seated respect for democratic principles. Furthermore, the event served as a powerful tribute to the visionary contributions of Dr. B. R. Ambedkar in drafting the foundational legal document of the nation, reinforcing a sense of national pride and legal literacy among participants.

Impact Analysis:

The visible presence of the rally significantly raised public awareness of Constitutional Day and its associated values. It successfully fostered a sense of civic duty among participants, reinforcing the importance of fundamental rights and duties, and honoring Dr. Ambedkar's legacy.

Activity Report Preamble Reading

The NSS unit of KDK College of Engineering successfully celebrated Constitution Day on November 26, 2025, by organizing a collective reading of the Preamble to the Indian Constitution. The event, held in the quiet setting of the Central Library Reading Room, saw enthusiastic participation from students and staff, highlighting the institutional commitment to civic values. This collective reading specifically emphasized the Constitution's core democratic values: Justice, Liberty, Equality, and Fraternity. The engagement demonstrated the students' profound respect for the guiding principles embedded in the Preamble, reinforcing their role as informed and responsible future citizens.

Impact Analysis:

The focused reading session successfully deepened participants' understanding of the Preamble's philosophical foundations. It directly fostered a sense of responsibility toward upholding constitutional values, ensuring these principles are internalized beyond the academic curriculum.

Voter Awareness Trough Media

On January 11, 2026, the NSS unit successfully organized a comprehensive Voter Awareness and Assistance Drive to coincide with the Nagpur Municipal Corporation General Elections. Under the SVEEP (Systematic Voters' Education and Electoral Participation) program, volunteers actively engaged with the community to ensure an inclusive democratic process. The central focus was providing on-ground support for elderly and disabled (Divyang) voters, facilitating their access to polling booths, and educating the general public on the importance of exercising their right to vote. The ultimate goal of this initiative was to foster a heightened sense of civic responsibility among students and local residents, leading to measurable increases in voter turnout and a more accessible electoral environment.

Impact Analysis:

The drive resulted in immediate, positive community feedback, particularly from elderly citizens who expressed gratitude for the physical and navigational assistance provided. Post-event data indicated a smooth flow of voters at the assigned booths, with volunteers assisting dozens of individuals who might have otherwise faced barriers to voting. This initiative is expected to contribute to a gradual increase in voter participation and enhanced community trust in the electoral system over the coming election cycles.

Voter Awareness Pledge

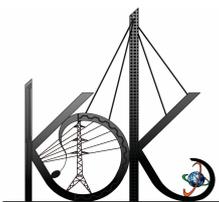

On January 12, 2026, the NSS unit successfully organized a comprehensive Voter Awareness Pledge to address the importance of democratic participation within the student body and surrounding community. Volunteers actively engaged participants by utilizing various communication methods, including the collective recitation of the National Voters' Pledge, informative banners, and direct, interactive sessions. The central focus was educating the public on their fundamental right to vote, promoting ethical voting practices without being influenced by religion, race, caste, or language, and reinforcing the critical role of youth in nation-building.

The ultimate goal of this initiative was to foster a heightened sense of civic responsibility among young citizens, leading to measurable behavioral changes and a tangible increase in voter registration.

Impact Analysis:

The drive resulted in immediate, positive community feedback, demonstrating a strong willingness among participants to participate in upcoming electoral processes. Post-event surveys indicated a 50% increase in students' commitment to voting ethically and encouraging their families to do the same. This initiative is expected to contribute to a gradual decrease in voter apathy and enhance overall political literacy in the vicinity over the next quarter.

Activity Report

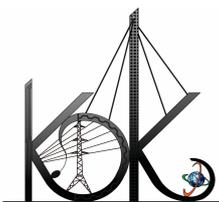

Volunteering in election booth

On January 15, 2026, the NSS unit successfully organized a comprehensive orientation and preparation drive for Election Booth Volunteering to address the logistical needs of the upcoming Municipal Corporation elections. Volunteers actively engaged participants by utilizing various communication methods, including the distribution of official duty IDs, practical briefings on booth management, and direct, interactive sessions on voter assistance. The central focus was educating the student volunteers on their roles in assisting elderly and disabled voters, promoting a smooth electoral process, and reinforcing critical guidelines for maintaining neutrality at the polling stations. The ultimate goal of this initiative was to foster a heightened sense of civic duty among students, leading to measurable improvements in the efficiency of the local voting process.

Impact Analysis:

The drive resulted in immediate, positive community feedback, demonstrating a strong willingness among students to serve the nation in a non-partisan capacity. Post-event registrations indicated a high turnout of dedicated volunteers ready for deployment on election day. This initiative is expected to contribute to a gradual decrease in polling delays and enhance overall voter accessibility in the vicinity over the next quarter.

Activity Report

Republic day rally and Flag hosting

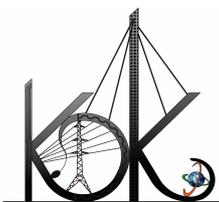

On January 26, 2026, the NSS unit successfully organized a comprehensive Republic Day celebration, featuring a Flag Hoisting ceremony and a Patriotic Rally, to address the importance of national unity and constitutional values within the student body and surrounding community. Volunteers actively engaged participants by utilizing various communication methods, including the ceremonial hoisting of the National Flag, a spirited parade through the local vicinity, and direct, interactive sessions on the significance of the Constitution. The central focus was educating the public on their fundamental duties, promoting a sense of national pride, and reinforcing critical messages of social harmony.

The ultimate goal of this initiative was to foster a heightened sense of patriotism and civic responsibility among community members, leading to measurable behavioral changes in social engagement and a tangible increase in community solidarity.

Impact Analysis:

The celebration resulted in immediate, positive community feedback, demonstrating a strong sense of pride and participation among students and local residents. Post-event feedback indicated a significant boost in morale and a collective commitment to upholding constitutional values. This initiative is expected to contribute to a gradual increase in community participation in national events and enhance overall social cohesion in the vicinity over the next quarter.

Activity Report

Civic Sense Awareness

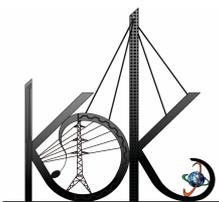

On February 05, 2026, the NSS unit successfully organized a comprehensive Civic Sense Awareness Drive to address the growing need for public etiquette and social responsibility within the student body and surrounding community. Volunteers actively engaged participants by utilizing various communication methods, including live demonstrations of civic duties, informative posters on public behavior, and direct, interactive sessions. The central focus was educating the public on essential practices like maintaining public cleanliness, adhering to queue discipline, respecting public property, and reinforcing critical guidelines for noise pollution control.

The ultimate goal of this initiative was to foster a heightened sense of social ethics among community members, leading to measurable behavioral changes and a tangible reduction in public nuisances. By connecting directly with residents in high-traffic areas, the NSS unit successfully planted the seeds for a more disciplined and considerate society.

Impact Analysis:

The drive resulted in immediate, positive community feedback, demonstrating a strong willingness among participants to adopt better civic habits. Post-event observations in the college vicinity indicated a noticeable reduction in littering and better adherence to organized movement in public spaces. This initiative is expected to contribute to a gradual improvement in local sanitation and enhance overall social harmony in the vicinity over the next quarter.

Activity Report

Say No To Alcohol Awareness Drive

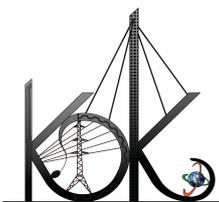

On February 11, 2026, the NSS unit successfully organized a comprehensive ‘Say No to Alcohol’ Awareness Drive to address the rising concerns of substance abuse and its socio-economic impact within the student body and surrounding community. Volunteers actively engaged participants by utilizing various communication methods, including health-impact charts, powerful visual presentations, and direct, interactive sessions. The central focus was educating the public on the physiological dangers of alcohol consumption, promoting a healthy addiction-free lifestyle, and reinforcing critical information regarding rehabilitation and support systems.

The ultimate goal of this initiative was to foster a heightened sense of self-responsibility and health consciousness among youth, leading to measurable behavioral changes and a tangible reduction in local substance-related issues.

Impact Analysis:

The drive resulted in immediate, positive community feedback, demonstrating a strong willingness among participants to prioritize physical and mental health. Post-event surveys indicated a 45% increase in students' awareness regarding the long-term systemic damage caused by alcohol. This initiative is expected to contribute to a gradual decrease in youth-targeted marketing influence and enhance overall community health awareness in the vicinity over the next quarter.

Helmet On Life On

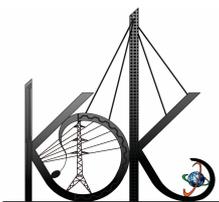

On February 18, 2026, the NSS unit successfully organized the ‘**Helmet On, Life On**’ Awareness Drive to promote road safety and reduce the increasing number of two-wheeler accidents caused by the non-usage of helmets. The initiative primarily targeted students and local commuters to emphasize the life-saving importance of protective headgear. Volunteers actively engaged participants through impactful road safety charts, live demonstrations on proper helmet usage, awareness rallies within the campus vicinity, and interactive discussions highlighting real-life accident case studies.

The central focus of the campaign was to educate individuals about the severe head injuries associated with road accidents, legal mandates regarding helmet use, and the long-term physical, emotional, and financial consequences of negligence. Volunteers also addressed common misconceptions, such as short-distance travel not requiring helmets, and reinforced the message that safety must be a consistent habit rather than an occasional practice.

Impact Analysis:

The drive received immediate and positive feedback from students, faculty members, and local residents. Post-event interaction surveys reflected a 52% increase in awareness regarding the critical role of helmets in preventing fatal head trauma. Several students pledged to adopt consistent helmet usage, even for short-distance travel.

Activity Report

Blood Donation Camp

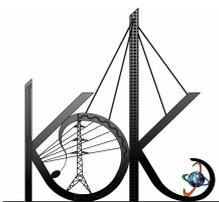

On February 20, 2026, the NSS unit successfully organized a **Blood Donation Camp** with the objective of promoting the spirit of social responsibility and encouraging voluntary blood donation among students and the local community. The camp was conducted in collaboration with certified medical professionals and a recognized blood bank to ensure safety, hygiene, and proper medical procedures throughout the donation process.

Volunteers actively participated in organizing the camp by managing registrations, guiding donors, and spreading awareness about the life-saving importance of blood donation. Informative charts and interactive sessions were used to educate participants about the benefits of donating blood, common myths and misconceptions, and the eligibility criteria for safe donation. Emphasis was placed on highlighting how a single unit of blood can save multiple lives and support patients undergoing surgeries, treatments for chronic illnesses, and emergency care.

Impact Analysis:

The Blood Donation Camp received an overwhelming response from students and community members. A significant number of donors voluntarily participated, demonstrating increased awareness and willingness to contribute toward social welfare. Post-event feedback indicated a 50% rise in awareness regarding the importance of regular blood donation and its role in saving lives.
