Program Assessment and Quality Improvement Committee (PAQIC)

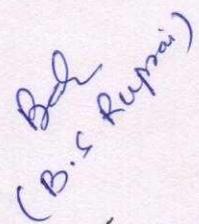

Objectives:

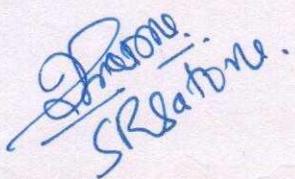

To increase the efficiency in the academics and overall result so as to achieve the goal for the betterment & prospects of students career

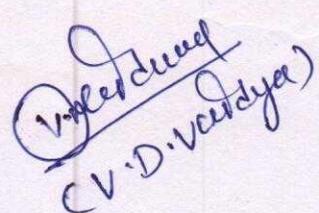

Role & Responsibility:

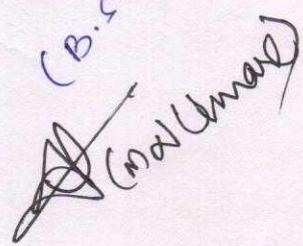

1. The Program Assessment and Quality Improvement Committee (PAQIC) shall regularly monitor the progress of students, counsel the students and assess their performance in all possible domain, obtain and analyze the feedback, and submit the same to the Departmental Advisory Board through the Head of Department for further discussion and recommendations of improvement.
2. PAQIC shall meet twice in a year.
3. Review of Departmental Activity for the betterment of Academics.

Department of Civil Engineering
Program Assessment and Quality Improvement Committee (PAQIC)
(Session 2021-22)

Dated:- 14/01/2022

Minutes of Meeting of PAQIC

Agenda:

1. Academic Audit and review of Result Analysis
2. Successful completion of one week FDP
3. Updating the criteria files
4. Eminent National and International Online Expert lectures conducted
5. Online CEP

Present for Meeting:

SN	Name of Person	Role
1	Dr. Valsson Varghese	Chairman
2	Prof. N. R. Dhamge	Member
3	Prof. S. R. Satone	Member
4	Prof. P. S. Randive	Member
5	Prof. M N Umare	Member
6	Dr. B. S. Ruprai	Member

The Agenda briefed and the minutes are as below:

1. Due to COVID the result is 100% for the semester as RTMNU Examination conducted on line and the students are allowed to move in the next semester and carryon facilities given as per RTMNU Direction. Also committee check all the departmental files as a part of the Academic Audit
2. As ^{PAQIC}~~DAB~~ members appricaited the effects taken by the Civil Engineering deaprtartment for successfully completion of One week "Ambora Pylon Bridge FDP" and chairman advised to conducted such activities from time to time.

3. All the concern faculties are advised to complete the Files in all respect which are to be reviewed by committee during the coming months.
4. Four national and international activities like Guest Lectures, Expert Lectures from various eminent personalities is carried out. Also the quorum discussed the status of PAQIC/AICTE schemes status for the laboratories, modern equipment's, skill development etc which are updated by filling forms on the concern website.
5. Online activity under Continual Education Program workshop to be conducted for the students of II year, III year and Final Year in AutoCAD, REVIT & STAAD Pro for enhancing their software skill and GATE Classes in collaboration with Civil Guruji which should be included in the Time table and coordinator is instructed to prepare and schedule the event smoothly.

Action Taken Report (PAQIC)

A meeting of Program Assessment and Quality Improvement Committee (PAQIC) for the (Session 2021-22) held on 14/01/2022 and the Action Taken Report is as below.

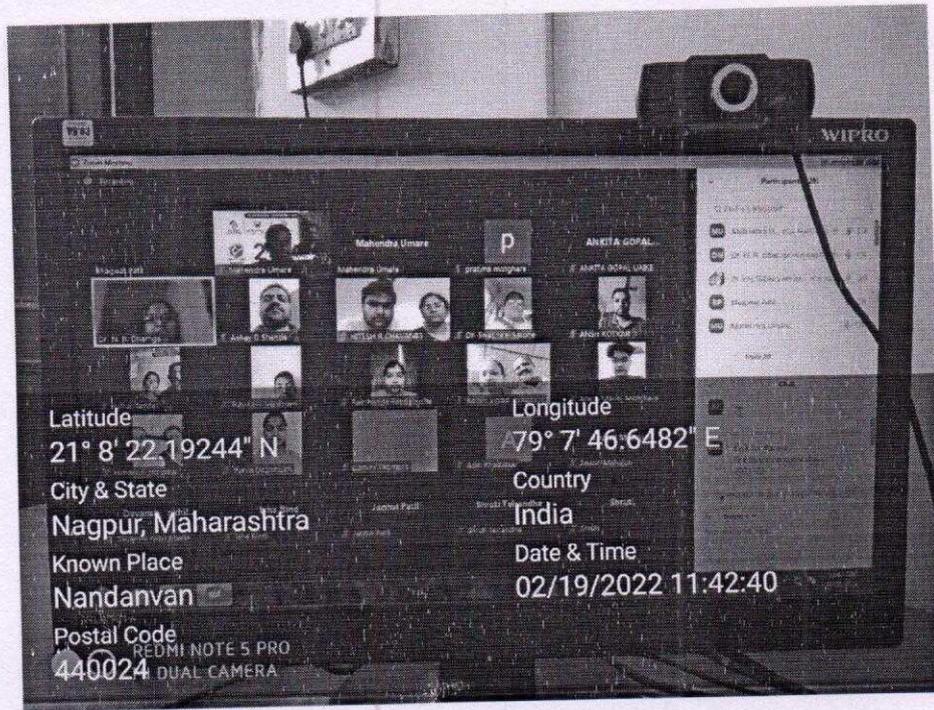

Present Members

Dr Valsson Varghese, Dr N R Dhange, Dr S R Satone, Dr P S Randive, Prof M N Umare, Dr B S Ruprai.

- As per suggestion national or international activities like Guest lecture, Expert lecture, conference is to be carried out and the department of civil engineering successfully completed the NAAC sponsored National Conference the glimpses in the form of photographs are applied as below:

Online Parent Teacher Meeting

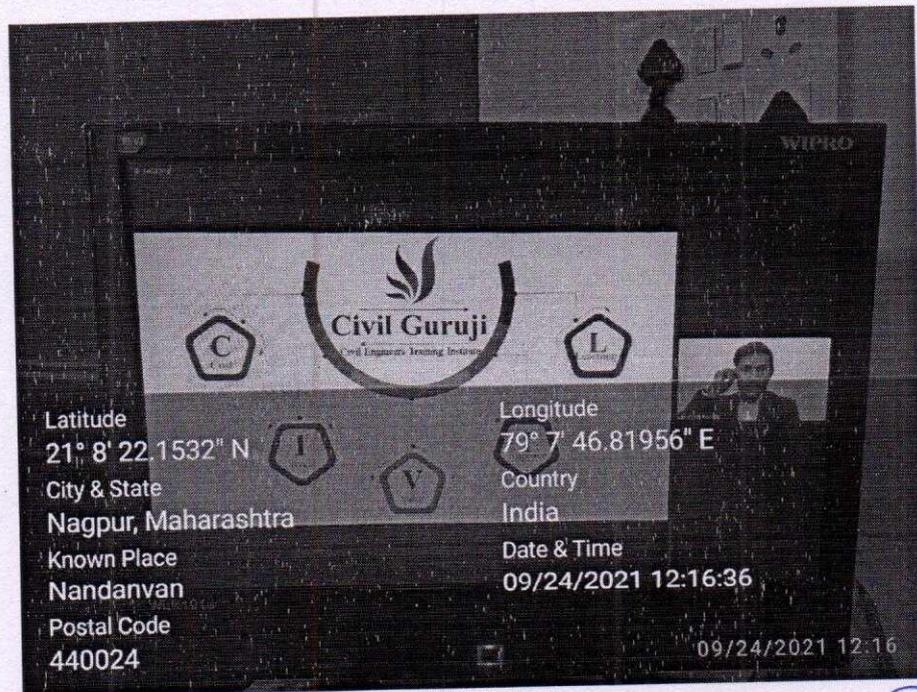

Outreach Program at Bhadhura Village on Rainwater harvesting awarress

- Result Analysis of all the semester are reviewed and are placed in result analysis file of the department. Due to COVID pandemic situation the results are nearly 100%.
- Successful completion of Parent Teacher Meeting, Site Visit, Guest Lecture and FDP conducted at KEC International Butibori to witnessing live testing of Transmission Tower and some photographs enclosed above.

Value Added Course Photograph.

Civil Guruji has conducted online AutoCAD course for the Civil Engineering Students.
