E-International Conference on "Emerging Trends In Computer & Electronics Exigencies-2020 (ETCEE-2020)

Introduction:

Department of Computer Science & Engineering, Information Technology and Electronics Engineering, **KDK College of Engineering**, Nagpur in association with Institution of Engineers, Nagpur and Institution of Electronics & Telecommunication Engineering, Nagpur (IETE) has organized e-International Conference on "Emerging Trends in Computer & Electronics Exigencies-2020 (ETCEE-2020) on 11th – 12th June 2020

Objective of the ETCEE-2020:

Conducting ETCEE-2020-an international conference in KDKCE serves various important objectives, both for the institution and the broader academic and professional community. Here are some key objectives for organizing this conference:

1. Knowledge Dissemination: One of the primary objectives of an ETCEE-2020 is to disseminate knowledge and share the latest advancements in engineering and related fields. It provides a platform for researchers, academicians, and professionals to present their research findings and exchange ideas.
2. Networking: International conferences bring together experts, researchers, and professionals from around the world. This facilitates networking and collaboration opportunities, which can lead to research partnerships, joint projects, and the exchange of best practices.
3. Research Promotion: Hosting an international conference enhances the reputation of the engineering college as a hub of research and innovation.
4. Global Perspective: Exposure to international research and ideas broadens the perspectives of students and faculty. It encourages them to think globally and consider diverse viewpoints, ultimately enriching the academic environment.
5. Professional Development: Conferences often include workshops, panel discussions, and keynote speeches by experts. These events can contribute to the professional development of attendees by providing insights into the latest trends and challenges in engineering and related industries.

About KDKCE :

K.D.K. College of Engineering, Nagpur is established in 1984, approved by AICTE, New Delhi and Director of Technical Education, Maharashtra and affiliated to Rashtrsant Tukadoji Maharaj Nagpur University, Nagpur. Government of Maharashtra has conferred 'A' Grade on the basis of excellence & adequate infrastructure as well as academic achievements of student and faculty. The college runs Six Undergraduate B.E. courses Civil, Mechanical, Electrical, Computer Science & Engineering, Electronics, Information Technology with intake capacity of 570 and three Postgraduate courses M.Tech in Structural Engineering, M.Tech in Mechanical Engineering Design and Master of Business Administration (MBA). The National Board of Accreditation (NBA) has accredited five programmes namely Computer Technology, Electronics Engineering, Electrical Engineering, Civil Engineering and Mechanical Engineering. The Institute is also accredited by National Accreditation & Assessment Committee (NAAC), which ensure quality assurance to the student academics and performance. The vision of College is **"Service to the Society through Quality Technical Education"**.

The department of Computer Technology/Science & Engineering, Information Technology and Electronics Engineering has 90, 60 and 60 students UG intake respectively. The departmental staffs are sponsored / deputed to various reputed institutes / industries for attending various continuing Education programmes to enhance the expertise in their respective fields. The staff participates in various Workshops and Seminars and publishes their research works in Journals, Seminars and Conferences.

Significance:

International Conference on **"Emerging Trends in Computer & Electronic Exigencies-2020 (ETCEE-2020)"** will provide an excellent international forum for sharing knowledge & result in theory, methodology & application of Computer Science, Information Technology & Electronics Engineering. The conference looks for the significant contributions to all major fields in theoretical & practical aspects.

The aim of the conference is to provide a platform to researchers & practitioner from both academic well as industry to meet & share cutting edge development in the field.

Objective:

The aim of the conference is to provide an opportunity for exchanging Technology advancement and scientific research in the Computer Science & Engineering, Information Technology & Electronics Engineering Engineers, Scientists and Researchers, academicians can share their knowledge, expertise and experiences in various concepts and innovation in the present scenario.

Research Paper:

Research Papers are invited from faculties, Research Scholars, Scientist, Student, Industry personnel, and Practitioners working in varied areas of Computer Science & Engineering, Information Technology, Electronics and all allied branches.

Theme 1: Advanced and Emerging Applications

1. Machine Intelligence
2. Database Management System
3. Data warehousing & Mining
4. Data Science
5. Data & Knowledge Engineering
6. Evolutionary Optimization
7. Information Theoretic Learning
8. Sustainable Computing
9. Recent Trends in Software Engineering
10. Autonomic Computing
11. Educational Technologies

Theme 2: Information Systems and Technologies

1. Grid Computing/ Cloud Computing
2. Distributed & Parallel Computing
3. Next Generation Web Applications
4. Artificial Intelligence
5. Big Data Analysis, Security Issues in Big Data
6. Cloud / Grid / Distributed Computing
7. Cognitive Science
8. e-Society/ smart-Society
9. Machine Learning

Theme 3: Circuits, System and IoT Technologies

1. Internet of Things (IoT)
2. Virtual Reality
3. Robotics
4. Automation Systems
5. Micro Electronics
6. Semiconductor Devices
7. Opto Electronics
8. Computer and Control Systems
9. Wavelets & Applications
10. Multi Carrier Modulation
11. MIMO Systems
12. Electromagnetic Engineering
13. RF Circuit Design
14. Cryptography Applications
15. Medical Informatics
16. Hardware Engineering
17. Mechatronics
18. Automation
19. Digital signal processing

Theme 4: High Performance Computing and Networks

1. Human Computer Interaction
2. Recent Trends in Computer Networks
3. Data Communication and Computer Networking
4. High Speed Networks
5. Mobile Networks & Wireless LAN
6. Optical Networking
7. Network Based Applications
8. Network Security
9. Wireless Sensor and Adhoc Network
10. Intrusion Detection/Prevention Techniques
11. Broad Band Communication
12. Computer and Intelligent Communication
13. Mobile and Optical Communication
14. Wireless Communication
15. Mobile and Optical Networks
16. Wireless Sensor Networks
17. Advanced VLSI Systems
18. Embedded Wireless Systems

Theme 5: Electrical Engineering

1. Power Generation, Transmission and Distribution
2. Renewable Energy Technology
3. FACTS and its Application
4. Energy Audit and Management
5. Drives, Control and Automation
6. Power quality, Monitoring and Measurement
7. High Voltage Engineering and Insulation Technology
8. Recent Trends in Electrical Engineering

Registration

Every participant shall have to register by filling up a registration form. Details of registration fees are as under:

Sr. No.	Delegates	Registration fees for Participation only	Registration fees for Participation with Publication in UGC-CARE Approved Journal	Registration fees for Participation with Publication in SCOPUS Indexed Journal
1.	From Industry	Rs. 1500/-	Rs. 3000/-	Rs. 8000/-
2.	From academic Institute	Rs. 1000/-	Rs. 2500/-	Rs. 8000/-
3.	Students/ Research Scholar	Rs. 800/-	Rs. 2000/-	Rs. 8000/-
4.	Foreign Delegate	$ 80	$ 150	$ 299
5.	For Extra Paper	-----	Rs. 2000/- For Indian authors and $ 40 for Foreign Delegate	Rs. 8000/- For Indian authors and $ 40 for Foreign Delegate

*Please Note Proceedings of ETCEE- 2020 will be published by UGC-CARE Approved Journal / SCOPUS Indexed Journal.

Registration Fees can be Paid by the Following Modes:

Cash / Cheque / Bank Transfer to Tirupati Urban Co-op. Bank Ltd., Branch KDK College of Engineering, Nagpur, A/c No.: 009002300000973, IFSC code - HDFC0CTUB09.

Cheque/Transfer should be in the favour of **"HOD, CT & IT"**.

Subject: Letter of Appreciation for being Chief Guest and Keynote Speaker

Dear Sir,

The KDK College of Engineering, Nagpur on behalf of its entire team of e- International Conference on Emerging Trends in Computer & Electronics Exigencies-2020 (ETCEE-2020) being organized in association with Institution of Engineers (I), Nagpur Local Chapter and Institution of Electronics & Telecommunication Engineering (IETE), extends a hearty thanks to you for accepting our request and honoring us as a Chief Guest and Keynote Speaker and delivering a distinguish lecture during the conference.

We are indeed grateful to you for being available to us in a short notice and sparing your valuable time for this noble cause. Your views expressed during your lecture hold tremendous value for us and we shall orient ourselves towards them. You are requested to place us in your good books and guide us on various important subjects and our various activities. We really cherish this fact that your kind of personality keeps connected with KDKCE. We sincerely hope to receive the same support and guidance from you in future as we received from you this time.

With best wishes for your upcoming projects and healthy times ahead.

Thanking you again.
