

## DEPARTMENT OF CIVIL ENGINEERING

### CENTER FOR HIGHER LEARNING LEADING TO Ph.D.

Department of Civil Engineering was established in the year 1984 with an initial intake capacity of 60 to cater at the undergraduate level. With continuous efforts and qualitative approach, the department added Post-graduate program in Structural Engineering in the year 2008 with an intake of 18. This paved the way for the department to get recognition of higher learning center.

It's qualitative education in both UG & PG led the grant of Center for Higher Learning Leading to the award of degree in Doctor of Philosophy (Ph.D.) in Civil Engineering by RTM Nagpur University in the year 2010 with initial capacity of 10 to carry out research work. Presently, 15 research scholars can simultaneously carry out the research work at the center.

#### Process of Registration at the Research Center:

Aspirant needs to be qualified with a PG degree in relevant stream from a university/institution duly recognized by the UGC/AICTE or equivalent authority. And applicable entrance examinations like PET-1 & PET-2. Candidate needs to approach a center with a research proposal and present their initial work before the Research & Recognition Cell as pre-requisite for the registration. If found satisfactory, candidate is allowed to go ahead and allotted a supervisor and will be asked to complete the registration process at the college by complying all the procedures. Then a synopsis of the research proposal is prepared under the guidance of the supervisor and submitted to the University for Want of registration of the research scholar. The scholar needs to undergo compulsory courses as prescribed by the university within the guidelines of the UGC for the award of the degree. The center will evaluate the progress of the research work through progress seminar and assessment. At least two publications in refereed journals of international repute are made compulsory for the research scholar at the time of submission.

The department has able supervisor to guide the research scholar. The list is as below:

SN	Name of Supervisor	Qualification	Specialization
1	Dr. D P Singh	Ph. D. M.Tech. (Env.)	Civil Engineering
2	Dr. A M Badar*	Ph. D. M.Tech. (Hyd.)	Civil Engineering
3	Dr. V. Varghese	Ph. D. M.Tech. (Struct.)	Civil Engineering
4	Dr. N R Dhamge*	Ph. D. M.Tech.(Hyd.)	Civil Engineering

\* Approval of supervisor is awaited from the university
