

K.D.K. College of Engineering Nagpur

15 days Computer Literacy Program for Slum Area people

(18th November to 2nd December 2017)

KDK College of Engineering, Nagpur, organized 15-days Computer literacy program for people living in slum areas for second time. The participants were felicitated with the certificates by hands of Dr. D. P. Singh, Principal, Dr. A. M. Badar, Vice principal and Dr. A. A. Jaiswal, HOD, Computer Department. Dr. D. P. Singh expresses his noble thought of providing mobile computer education for slum areas in future. While addressing the gathering Dr. A. M. Badar focuses on the urge of computer literacy and motivated the participants to cope up with the Technology trends to make their day to day life easier. Prof. P.Singam, coordinator, conducted the program. All the participants, HOD's, senior faculty members and staff members were present for valedictory.

The workshop aiming to empower slum area people by training them to operate computer or digital access devices, send and receive emails, browse internet, access government services, search for information, undertake digital payments etc.. The workshop was carried out during 18th November to 2nd December 2017. Hon. Shri. Rajendra B. Mulak, Secretary, BCYRC and Hon. Shri. Yashraj R. Mulak, Treasurer, BCYRC praised the Department for organizing this program.

Faculties from Computer and Information Technology department worked hard for the success of the event and content delivery.
